VARIANT PLAY ARTS KAI

DRAGOON
(LIMITED COLOR VER.)

SRP: $130.00

Release
SEPTEMBER 2014

THE HEROES OF FINAL FANTASY REIMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP!

DRAGOON (Limited Color Variant)
The Dragoon is one of the most iconic roles in the FINAL FANTASY series, appearing in numerous titles within the franchise. Now we bring you a Dragoon with a brand-new look, re-imagined in the style of our Variant action figure line! His inner suit is embellished with the texture of a dragon's scales, and his outer armor has a smooth and streamlined design.
Wielding his spear with ease, the Dragoon's muscles are structured to have the resilience and movement befitting a knight who soars through the air like a dragon.
With the beautiful contrast of the outer armor's metallic sheen and the matte paintwork of the inner suit, this figure is sure to move the heart of collectors.

This special limited edition of our Dragoon Play Arts KAI has a unique color variant reminiscent of the heroes of some of our earliest and most beloved FINAL FANTASY titles! With his golden hair and armor, this color variant Dragoon is sure to be a coveted addition to any FINAL FANTASY fan and collector.

Figure includes accessory parts such as lance, sword, sheath, clawed sheath clasp, exchangeable hands and figure display stand.

S.H.MonsterArts®

This monster action figure adopts 3 different materials (ABS, PVC, and POM) for main body. For the "mechanical" monsters, Zndsc (die cast, and zinc alloy) is used to provide metallic texture and weight. Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each manster's character.

GODZILLA IS MAKING A BIG COMEBACK TO HOLLYWOOD THIS YEAR. S.H.MONSTERARTS *GODZILLA* (2014) IS EXPERTLY SCULPTED AND BROUGHT TO LIFE BY THE POPULAR YUJI SAKAI (*GODZILLA* COMPLETE WORKS).

SHOWCASE
TALES OF THE UNEXPECTED

With us celebrating Halloween in July this month, it seemed like the right time to take another look at one of the great (and greatly missed) genres of comic books: the horror anthology! There's an art and a science to unfolding a tale of terror in a finite number of short pages, and from the 1950s on into the '70s and early '80s, titles like *Tales from the Crypt*, *The Thing!*, *Adventures into Darkness*, *Strange Tales* and many more, terrified and delighted us with four- to five-page stories of monsters, mayhem and menace! Updated for 2014, the ghouls at ***PREVIEWS*** have gathered together another essential list of horror anthology collections for you to enjoy this Halloween and throughout the year!

editor's NOTE

EDITOR'S *note* People Who Know Your World EDITOR'S *note*

EDITOR'S *note*

DON'T BE SCARED, IT'S JUST... HALLOWEEN IN JULY!

Because our publication lists items months in advance of their on sale dates, we tend to sometimes celebrate the holidays a little early around here. For example: we're getting ready for Halloween 2014 in this issue! In addition to tons of horror-themed comics, graphic novels and books, we have our regular selection of horror and monster products to get you in the mood for the season!

And in the spirit of the season (of the Witch!), on the *FlipSide* of this issue, I present my annual Horror Comics Anthology guide, *Tale of the Tales*! Once again this year I'm calling out some of my favorite collections of classic horror comics, updated with new tomes of terror to thrill and chill you!

In other Halloween-related news, be sure to get out to your local comic shop on Saturday, October 25th for our third annual *Halloween Comic Fest*! Participating retailers will have a variety of free comics as treats for their loyal customers and first-time attendees alike, along with the possibility of store specials, special guests, and other surprises (your experience may vary by store)! See page 27 for all the details on this year's Halloween comics, revealed in this issue for the very first time! Best of all, you can order your own copies of this year's mini-comics to hand out at your home, making your house "the most popular place on the block!" (At least for Halloween night…)

Finally, I'll soon be off to California for my annual journey to the San Diego Comic Con. I'll be joined, as usual, by my best buddy, Chris Cade, fellow Comics & Comix veteran and all-around great guy. It's always a blast, and I can't think of a better vacation than spending some quality fanboy time with one of my oldest friends on Earth. Chris, you da' Mang.

If you're lucky enough to be going to Comic Con this year, good on ya' and have much fun! I hope to meet some ***PREVIEWS*** readers while I'm there, especially at our first ***PREVIEWS*** panel! That's right, we're holding a panel at the Con this year, and attendees will not only be able to learn a little bit about ***PREVIEWS*** history and how to use this invaluable publication, but a few lucky folks will leave with some cool prizes! We're scheduled for **Thursday, 7/24 at 12:30pm in Room 8**… but check your schedules just in case there's any last minute adjustments.

Will I give away an ultra-rare copy of the first issue of ***PREVIEWS*** from August 1988? It's a distinct possibility…

Have yourselves a great July, and please… let's keep things safe and sane on the Fourth, people!

Your Pal @ ***PREVIEWS***,

Marty

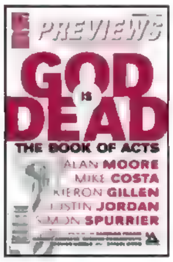
PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:



PREVIEWS
GOD IS DEAD
THE BOOK OF ACTS
ALAN MOORE
MIKE COSTA
KIERON GILLEN
JUSTIN JORDAN
SIMON SPURRIER

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

This month's featured creators is...

STEVE NILES

My name is **Steve Niles**. I'm a writer. I primarily write comics and horror, but I've been known to wander. Right now I am working on all creator-owned books as well as working as a consultant on a TV show. The fact people seem to like the best, though, is that I own a (now) 75-pound giant tortoise named Gil. I live out in the desert with my wife Monica, Gil and 8 other animals.

What are your favorite projects you've contributed to over the past decade?
I've been at this close to 30 years now so that's a tough one. I will always look to *Freaks of the Heartland* (MAR120050) as one of my favorite projects and now *Breath of Bones: A Tale of the Golem* (OCT130070). The highlight of my career will always be getting a chance to work with Bernie Wrightson though. Nothing beats the thrill of working with someone you idolized as a child!

What are you currently working on?
Right now my slate is pretty slim, and I like it that way. I am working on the last three issues of my *Army of Darkness* run (at Dynamite), writing a new *Criminal Macabre* series, and ramping up for a new creator-owned ongoing series for IDW called *The October Faction*.

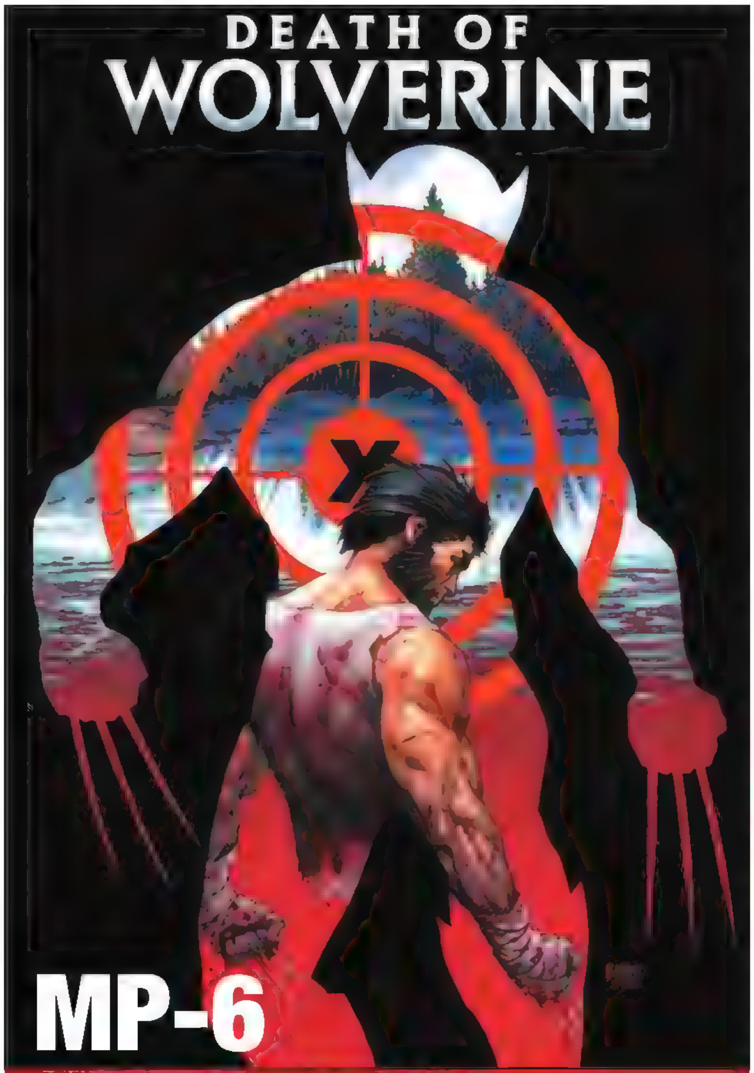
THE BELL TOLLS FOR WOLVERINE IN SEPTEMBER



MP-6

MARVEL PREVIEWS, $4.99, 48 PAGES. PAGE

Born with a healing factor that repaired any injury, Wolverine was virtually immortal. That immortality came with costs. He was cursed to outlive his friends and loved ones; they would age and die, and he would live on, his body repairing itself. And immortality made him reckless; he could think with his fists, not his head, heedless of his own safety, confident that his body would repair itself.

Stripped of his healing factor, Wolverine has become something he has no personal experience with — mortal. Battered, broken, and targeted, this September he has an appointment with his mortality in Marvel Comics' four-issue event, *Death of Wolverine!*

Now that the word is out that Wolverine is mortal, Wolverine has been hunted as never before — bounty hunters are determined to collect the bounties on his head, old opponents with scores to settle see an opening. The world is closing in on Wolverine. His body has taken a battering. His soul nears the breaking point. Time is running out, and his extraordinarily long life may, at last, be coming to its end.

Taking the reins for this groundbreaking story of Wolverine's final reckoning are Charles Soule (*Thunderbolts*, *She-Hulk*) teaming with Steve McNiven (*Wolverine: Old Man Logan*). *Death of Wolverine* will be published weekly through September and will feature die-cut covers, plus your local comic shop will be holding a *Death of Wolverine* launch party supported by special materials from Marvel.

No one — not even Wolverine — gets out of life alive, and the bell tolls for him this September. *Death of Wolverine* and its fallout will rock the Marvel Universe for years to come, and this is an event that no Marvel fan will want to miss!

RISING FROM THE ASHES, A NEW G.I. JOE TEAM TAKES THE STAGE

The *G.I. Joe* team has been at the forefront of international peacekeeping missions for decades, stabilizing troubled hotspots, targeting terrorist cells, and keeping the world free of Cobra. New challenges, though, have roiled the team and rewritten its mission, and a new team must rise to face new challenges in IDW Publishing's *G.I. Joe* #1!

Best-selling *Star Wars* novelist Karen Traviss and artist Steve Kurth spearhead a new era for *G.I. Joe*. With the future of the team in doubt, Scarlett pulls together a new team. Will it last? International politics and interpersonal dynamics threaten to pull it apart at the very start, but if anyone can rise to the challenge it will be Scarlett and her team in *G.I. Joe* #1!

TERRORS AWAIT IN DARK HORSE'S *ALIENS* AND *PROMETHEUS* COMICS

We live in a universe not made for us. Space is unforgiving. The black chasms between the stars are inimical to terrestrial life. Distant planets may harbor life unlike any we can imagine, life that followed different paths due to different evolutionary pressures. Planets are common, but planets that can support human life may be exceedingly rare. Humanity has been at the top of Earth's food chain for a million years. When we venture into the dark, we may soon discover that we are no longer at the pinnacle.

This autumn, Dark Horse Comics and 20th-Century Fox take readers back into the realm of interstellar horror with *Aliens: Fire and Stone* and *Prometheus: Fire and Stone*. Based on the *Aliens* franchise and Ridley Scott's *Prometheus*, these series tie together the worlds of *Aliens* and *Prometheus* directly in two parallel series.

In Paul Tobin and Juan Ferreyra's *Prometheus: Fire and Stone*, in the wake of the disappearance of the *Prometheus*, a mission is dispatched to LV-223 to uncover the ship's fate. This new team of explorers could not imagine what they would find there, and they will soon discover the unforgiving nature of the universe!

Aliens: Fire and Stone by Chris Roberson and Patric Reynolds sees a group of colonists abandon their home when their colony is overrun by Xenomorphs, but any hope of safety is quickly dashed when their escape vessel crashes onto an unknown planet filled with unimaginable horrors.

Return to the worlds of *Aliens* and *Prometheus* this September, and watch as two new groups of heroes learn an important lesson — the universe is not made for us!

IMAGE COMICS LAUNCHES THREE NEW SCI-FI SERIES IN SEPTEMBER

Humanity has always looked to the stars and imagined what is out there beyond Earth's atmosphere. There could be ancient civilizations, long-lost relics, and mysterious technologies. There would be resources to harvest from asteroids and comets, planets and moons to settle. This September, Image Comics launches three new series that will take readers into the depths of space for three very different adventures.

Michael Moreci and Vic Malhotra's *Roche Limit* takes readers to a space colony on the edge of a mysterious anomaly. Built for hopeful reasons, twenty years later a seedy underside to the colony is revealed when a young woman goes missing and her sister seeks answers in this new series that blends space opera with film noir sensibilities.

Copperhead from Jay Farber, Scott Godlewski, and Ron Riley is a sci-fi Western set on a backwater planet in the 24th-century. Clara Bronson is the new sheriff of a mining town at the edge of known space, and she and her alien deputy quickly find their hands full with shady industrialists and a massacre!

Ryan Browne's *God Hates Astronauts* returns with an all-new series perfect for new readers. The cult sci-fi comedy sees a group of NASA super-people attempt to stop a group of farmers from launching themselves into space with rocket-powered grain silos and causing interplanetary incidents. And for readers curious about the series, Image is reoffering the original collection this month!

CELEBRATE THE CHRISTMAS SEASON WITH HARLEY QUINN 131

Ant Lucia has redesigned the heroines of the DC Universe in the style of 1940s pin-up artwork in his acclaimed *DC Bombshells* series. DC Collectibles has sculpted Lucia's redesign of Harley Quinn in a holiday-themed style — green leggings and boots, green elf cap, red bikini and bag of gifts — with the *DC Comics Bombshells: Holiday Harley Quinn Statue*. Standing 10" tall, this is a Harley Quinn you would want to find under the mistletoe or wrapped up under the tree!

SIN CITY'S MARV RECEIVES THE DESIGNER TOY TREATMENT 81

With the new *Sin City* film about to reach theaters, Dark Horse Comics revisits Frank Miller's acclaimed crime series with a new oversized vinyl figure of Marv. Sculpted by Eric So, one of the leading lights of Hong Kong's designer toy scene, the *Eric So/ Sin City: Marv Vinyl Figure* is an impressive reinterpretation of the Sin City denizen that allows for the collector to customize the figure with adhesive bandages!

MCFARLANE TOYS CELEBRATES HALO'S 10TH-ANNIVERSARY 478

In November 2004 Microsoft released *Halo 2*, the sequel to the best-selling game for the XBox, and it proved to be a game-changing multiplayer experience. Now, McFarlane Toys revisits *Halo 2* and looks ahead to the future with their new *Halo 2014 Action Figures*. Fans of the franchise can choose from detailed figures of the *Halo 2 Master Chief* or the new *Master Chief* figure based on the character's appearance in *Halo 4*. Add these to your collection and keep the Covenant at bay!

TALES OF AN IMPERFECT FUTURE HC

Alfonso Font (W/A/Cover)

On sale Nov 19	b&w, 88 pages
$17.99	HC, 8.375" x 10.875"

European comics master Alfonso Font presents three satirical science fiction tales, as told by an extraterrestrial, that warn of the dangers that await the human race if it fails to change its ways: a planet so polluted that life on its surface is almost impossible; the human race continuing its destructive and fatal expedition into the galaxy to colonize other planets; humans killed for their organs to transplant into their "superiors"; and the keeping of robot companions, whose emotionlessness may be the only way to avoid catastrophe.

- **Satirical science fiction from one of Europe's greats!**
- **Published in collaboration with Strip Art Features.**

Alejandro Jodorowsky (W) and Milo Manara (A)

On sale Nov 12	FC, 216 pages
$59.99	HC, 8.375" x 10.875"

When Pope Innocent VIII dies, the corrupt, licentious Cardinal Rodrigo Borgia schemes, murders, and seduces his way into becoming the new pope, immediately securing positions for his family and thereby ensuring a Borgia dynasty. With breathtakingly beautiful painted artwork by Manara, this account of Italy's first Mafia family by Chilean filmmaker Alejandro Jodorowsky is among comics'—and history's—sexiest, most violent, and most engaging epics! All four chapters newly translated and collected in English for the first time.

- **Introduction by Fábio Moon and Gabriel Bá!**
- **The complete collaboration between legends Alejandro Jodorowsky (*Metabarons*, *The Incal*, *Technopriests*) and Milo Manara (*Click!*, *Indian Summer*)!**
- **Translated by *Blacksad* translator Katie LaBarbera!**

SATOSHI KON'S OPUS TP

Satoshi Kon (W/A/Cover)

On sale Nov 26	b&w, 384 pages
$19.99	TP, 5 3/4" x 8 1/4"

Brilliant anime director Satoshi Kon (*Paprika*, *Paranoia Agent*, *Tokyo Godfathers*, *Millennium Actress*, *Perfect Blue*) died tragically young in 2010 at the age of forty-six. But before he became a director, he was a manga artist, and Dark Horse is honored to remember Kon with the release of *Satoshi Kon's OPUS*, an omnibus collection of a two-volume manga from 1996, created by Kon on the eve of his first film. *OPUS* contains the mastery of both realism and surrealism that would make Kon famous in *Perfect Blue*, as a manga artist planning a shocking surprise ending to his story gets literally pulled into his own work—to face for himself what he had planned for his characters!

- **Satoshi Kon was a *Time* magazine 2010 Person of the Year.**
- **Kon was eulogized by director Darren Aronofsky.**
- **Kon was a chief assistant to Katsuhiro Otomo on the *Akira* manga.**
- **Printed on prestige paper; first four pages are in color.**

GAME OF THRONES: MAP OF WESTEROS AND MAP MARKER MAGNET SET

Set is 9.6" x 14" in plastic sleeve.

$12.99

In the HBO adaptation of *Game of Thrones*, we see Robb Stark plotting the movements of opposing armies using a map of Westeros, which is painted onto animal hide, and a set of sculpted map markers, each hewn into a representation of one of the House symbols.

We have taken the map and the map markers and scaled them down to create this deluxe magnet set which allows the owner to formulate their own strategic situations or reproduce those from the show. The map of Westeros is magnetic, as are all the map markers.

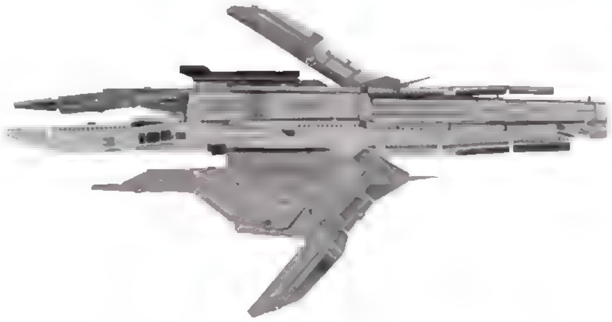
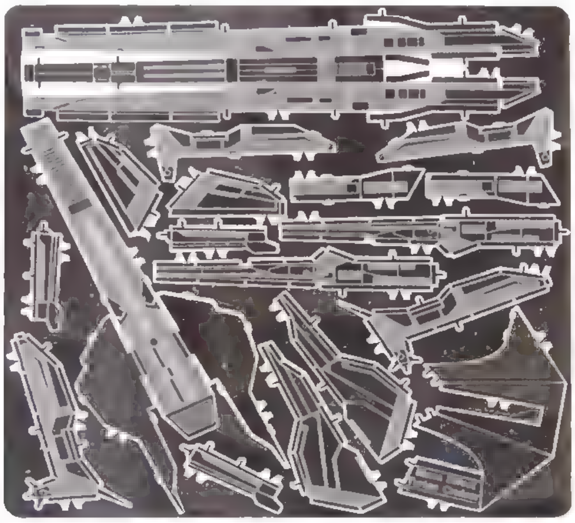
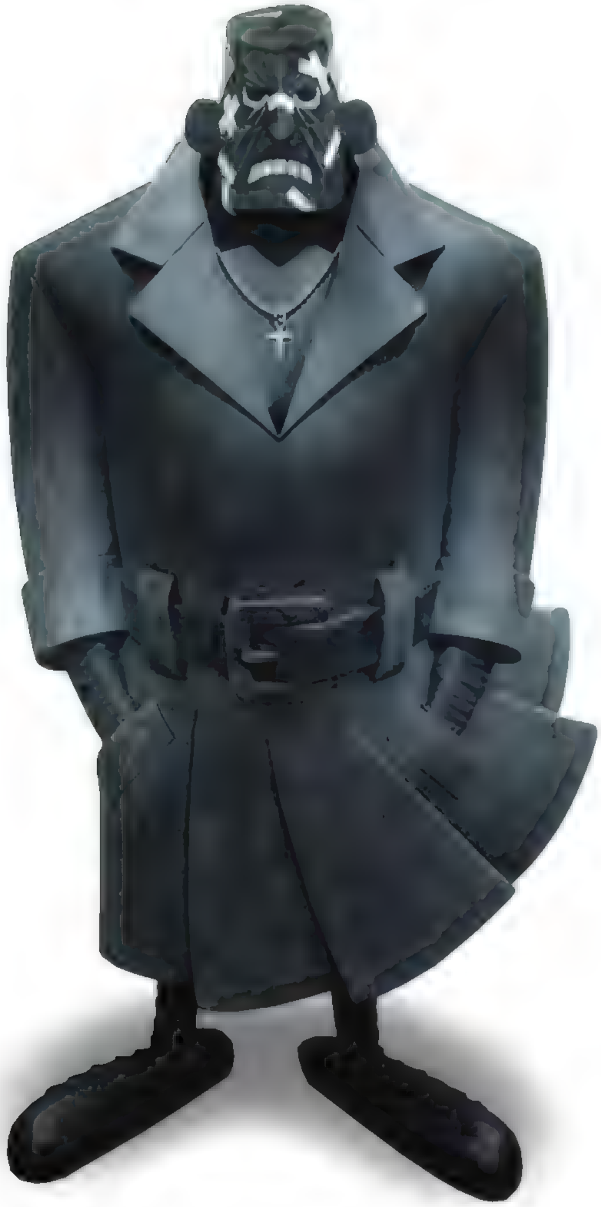
Metal Earth is a collection of intricately designed model building kits. Each kit consists of remarkably detailed laser etching cut onto one or more four-inch square sheets of thin metal. Simply snap out the eight to twelve pieces, bend the tabs to attach them together and create replicas of ships from Bioware's *Mass Effect* that fit in the palm of your hand. Striking to look at, especially when placed to catch the light, most Metal Earth models take less than an hour to assemble, and on average measure about 3"-4" long when completed. All can be assembled without any glue, although tweezers or needle nose pliers to bend the tabs will save from sore fingers.







ERIC SO SIN CITY MARV
VINYL FIGURE

On sale Aug 13

13". Limited to only 950 pieces for worldwide distribution.

$150.00

In a collaboration pairing two of the most stellar talents of contemporary pop culture, Dark Horse Comics is announcing a new limited-edition oversize vinyl figure of the character Marv, from Frank Miller's Sin City, to be interpreted by Eric So, considered a master of modern design and a seminal figure in the foundation of the Hong Kong designer art toy movement.

The figure is more of a re-invention than a reproduction. While it is clear that Miller's graphics inform the piece, it is more of a signpost along the way than the end of the journey. The Eric So touches abound from the detailing of the trench coat to the sharp angles and odd proportions of the character's features.

As we all know, Marv knows how to take a punch, and has the bandages to prove it. We are providing a pack of band-aid style stickers with each figure, and the consumer can affix them to Marv as they like.

The biggest adventure in DC Comics history continues!

Grant Morrison joins modern legend Chris Sprouse (TOM STRONG, BATMAN: RETURN OF BRUCE WAYNE, ACTION COMICS) for a trip to Earth-20 starring a Society of Super Heroes unlike anything you've seen before! It's pulp Super Hero action with a post-modern twist — you can't afford to miss it!

Who is the demon-like Green Lantern protecting Earth-20? What secret does Doc Fate hold that could save the world? Who are the hand-to-hand and air-to-air combat queens known as the Blackhawks? And what happens when these heroes come face to face with their diabolical Earth-40 counterparts – led by Vandal Savage – for an epic war between parallel worlds?

Find out all that and more in this exciting stand-alone issue which also acts as chapter two of the overall MULTIVERSITY storyline.

Join us, if you dare, for THE MULTIVERSITY!

New York City. Forty-year-old Kevin Walker is a successful trader. He's incredibly rich. He has a young, sexy wife and a son he adores. He has everything. Until…

The mysterious man known as the Surgeon walks into Kevin's office. He takes a seat and tells Kevin to write a suicide note. Trembling but obedient, Kevin does what the Surgeon says. Then, at a word from this well-dressed figure, Kevin jumps out his window and falls fifty stories to his death.

Thus begins THE NAMES, an 8-issue miniseries by writer Peter Milligan (HELLBLAZER, SKREEMER) and artist Leandro Fernandez (*Wolverine, Punisher: Max*).

THE NAMES is a dark, contemporary thriller set in the world of Big Money: hedge funds, leveraged buyouts, market raids, flash crashes. High-end finance that can ruin entire economies, run by a cabal of the world's richest (and sickest) people.

Now, it's up to Katya Walker – the beautiful and deadly wife of the late Kevin – to take on this hidden power structure and find out who killed her husband, and why. No matter what it takes. No matter who she has to kill.

It's *The Wolf of Wall Street* meets *Kill Bill*. And heaven help the 1%.

This is our solicitation,
Going out to every nation,
For a new issue of FABLES taking wing.

We thought we would this time,
Do the entire blurb in rhyme,
Just to see if anyone actually reads this thing.

In this issue, Bigby resurrected,
Quite more monstrous than expected,
Is challenged by a golden-armored knight.

They throw down in the city,
And won't it be a pity,
If lives are lost during the bloody fight.

As our special gift to you,
We make this promise true,
That the actual issue won't be all a-rhyming.

'Twill be done in the best prose we know,
About Bigby and his Fabled foe,
And their vicious battle fought with expert timing.

Empty theaters can be spooky places where the echoes of dead hands forever applaud and the leftover gloom of forgotten tragedies lingers – and nowhere is spookier than the grand, gaudy, gilded Victorian music hall where Charles and Crystal go to investigate his mother's suspicious death. But will the melodramatic ghosts still haunting those creaky floor boards make a swift exit, revel in a few more moments in the spotlight, or take revenge for being upstaged? If Charles isn't careful, this could mean curtains for Crystal.

Graphitti Designs proudly launches their new, large-format hardcover book series with BATMAN: KELLEY JONES GALLERY EDITION. For the first time ever, Dark Knight fans and collectors will have the opportunity to see and own museum-quality reproductions of memorable Batman art...as it was originally conceived by the artist. Printed in color from high-resolution scans of the actual original art, this first entry in Graphitti Designs' new Gallery Editions line replicates the look, feel and attitude of the artwork. Every page is reproduced at original size on heavy paper stock, capturing the artwork – stray pencil marks, whiteout, coffee stains and all! The pages are alive with all of the subtleties and nuances one would expect from investment-quality original comic art.

BATMAN: KELLEY JONES GALLERY EDITION is the first in a series of deluxe, hardcover books from Graphitti Designs that faithfully reproduces the original art from select, key DC Comics series. This inaugural volume contains the covers and interior pages from BATMAN #515 through #525, minus the interior of issue #520, which Kelley did not draw. These stories are written by Doug Moench, with most pages inked by John Beatty.

SPOTLIGHT ON GALLERY EDITIONS

Graphitti Designs' Gallery Editions reproduce the look, feel and attitude of the original art as it was originally created by the artist. Though it appears to be printed in black and white, the contents of these books are sourced from high-resolution, full-color scans taken directly from the artwork. Each high-quality, Smythe-sewn hardcover book captures every detail of the art at actual-size, and are printed at 200 line-screen on a rich, heavy paper stock. Replicating the original art experience is our goal. Our Gallery Editions are the next best thing to holding the original art in your hands – and easier on the wallet, too!

Access to original art is an absolute must for the success of future Gallery Editions. Though some art remains in the hands of the artists, most stories have been split up and scattered to fans and collectors across the world. Knowing that we have our work cut out for us, Graphitti Designs' approach is both pragmatic and practical while retaining our focus to produce the best, most definitive editions ever.

We at Graphitti Designs pledge to always do our best to pack each Gallery Edition with the best source material available. With the help of the comics fan and collector community, we're confident you'll be very pleased with the books we produce.

INTERVIEW WITH AUTHOR KAREN TRAVISS

IDW: *Welcome to the G.I. JOE family! What first attracted you to G.I. JOE?*

KT: When IDW asked me if I'd like to write it, it struck me as right up my street–I write military fiction from the soldier's perspective, the view from the ground, and that was what IDW wanted, so it slotted together perfectly. It was also weird timing–I'd literally just written a scene for my next book, *Going Grey*, where two of the characters discuss whether having G.I. Joe and Action Man (the UK version) as kids made them decide to enlist. I think that's a measure of how culturally iconic G.I. Joe is. The "real American hero" is too narrow a definition–it's international, and it embodies a concept. It's not about hardware or glorifying violence; it's about the men and women who do a uniquely hard job.

I don't write polemic and I have no hidden messages for readers, but I do believe in telling the truth in fiction, and that means giving an honest account of our people in uniform. G. I. Joe gives me a great opportunity to do that.

IDW: *This is the 50th anniversary of G.I. Joe as a brand–and the modern version has existed since 1982. What keeps G.I. Joe relevant?*

KT: It's always been about the people, not weapons and gadgets. It's personal. And that matters even more today. We're in an age where small wars seem to be proliferating but our military community (US and UK) is not only shrinking but increasingly invisible to the civilian electorate. There was a time when every family had at least one member who'd seen service, but now it's the exception rather than the rule, and we've even got policy think tanks encouraging that civilian-military disconnection to make involvement in wars more politically palatable. Bizarre as it sounds, it often falls to fiction to keep re-establishing that connection and say: look, this is how tough it really is out there, folks, so don't forget it. If we lose sight of the fact that armed conflict isn't going away any time soon, and that someone's sons and daughters still have to go out and fix things for us, then our societies are heading for serious trouble. In some ways, fiction can hit the spot harder than any number of news headlines.

IDW: *What's your background in writing?*

KT: I've written for a living all my working life–TV and newspaper journalism, PR, advertising, and, for the last decade, military fiction.

(I used to be a defense correspondent and I have assorted military connections, so those are the stories I want to tell.)

My bread and butter is novels, but I also write games and comics–I wrote *Gears of War 3*, I had enormous fun on another game I'm not allowed to mention, and I've written Batman and other franchises for DC Comics. I've had a dozen *New York Times* bestsellers, but as that didn't make me rich, I've just started my own publishing imprint in the hope that I'll be able to buy a private island complete with a missile silo, submarine pens, and henchmen. Or at least get my car fixed.

IDW: *What brought you–and what keeps you–in comics?*

KT: It's partly emotion, partly craft. As a reader, I enjoy comics in a visceral way that I just don't get from reading novels. I was brought up on comics and they can still affect me in a way that prose can't–I've read comics that have left me unsettled for weeks, and I can spend ages poring over each panel. I also like the everyday grind of creating comics–not just the exercise of craft skills, but also the professional culture. Comics often tackle big ideas and ask tough questions, but the industry never seems to get pretentious or take itself too seriously. You get to work with some great people.

When I say craft skills, I mean the basic minute-to-minute enjoyment of doing the nuts and bolts of the job well. I'm primarily a visual thinker, so when I write a novel, I'm describing a full-sensory movie from the point of view of each character. It's a reporting process. When I write a comic, though, I'm one level closer to the raw source. It's immensely rewarding to work with an artist, and even after a few years of doing comics, I still get a huge thrill when I see the first batch of pencils for a book.

WILL EISNER'S SPIRIT, VOL. 2: ARTIST'S EDITION

Will Eisner (w & a & c)

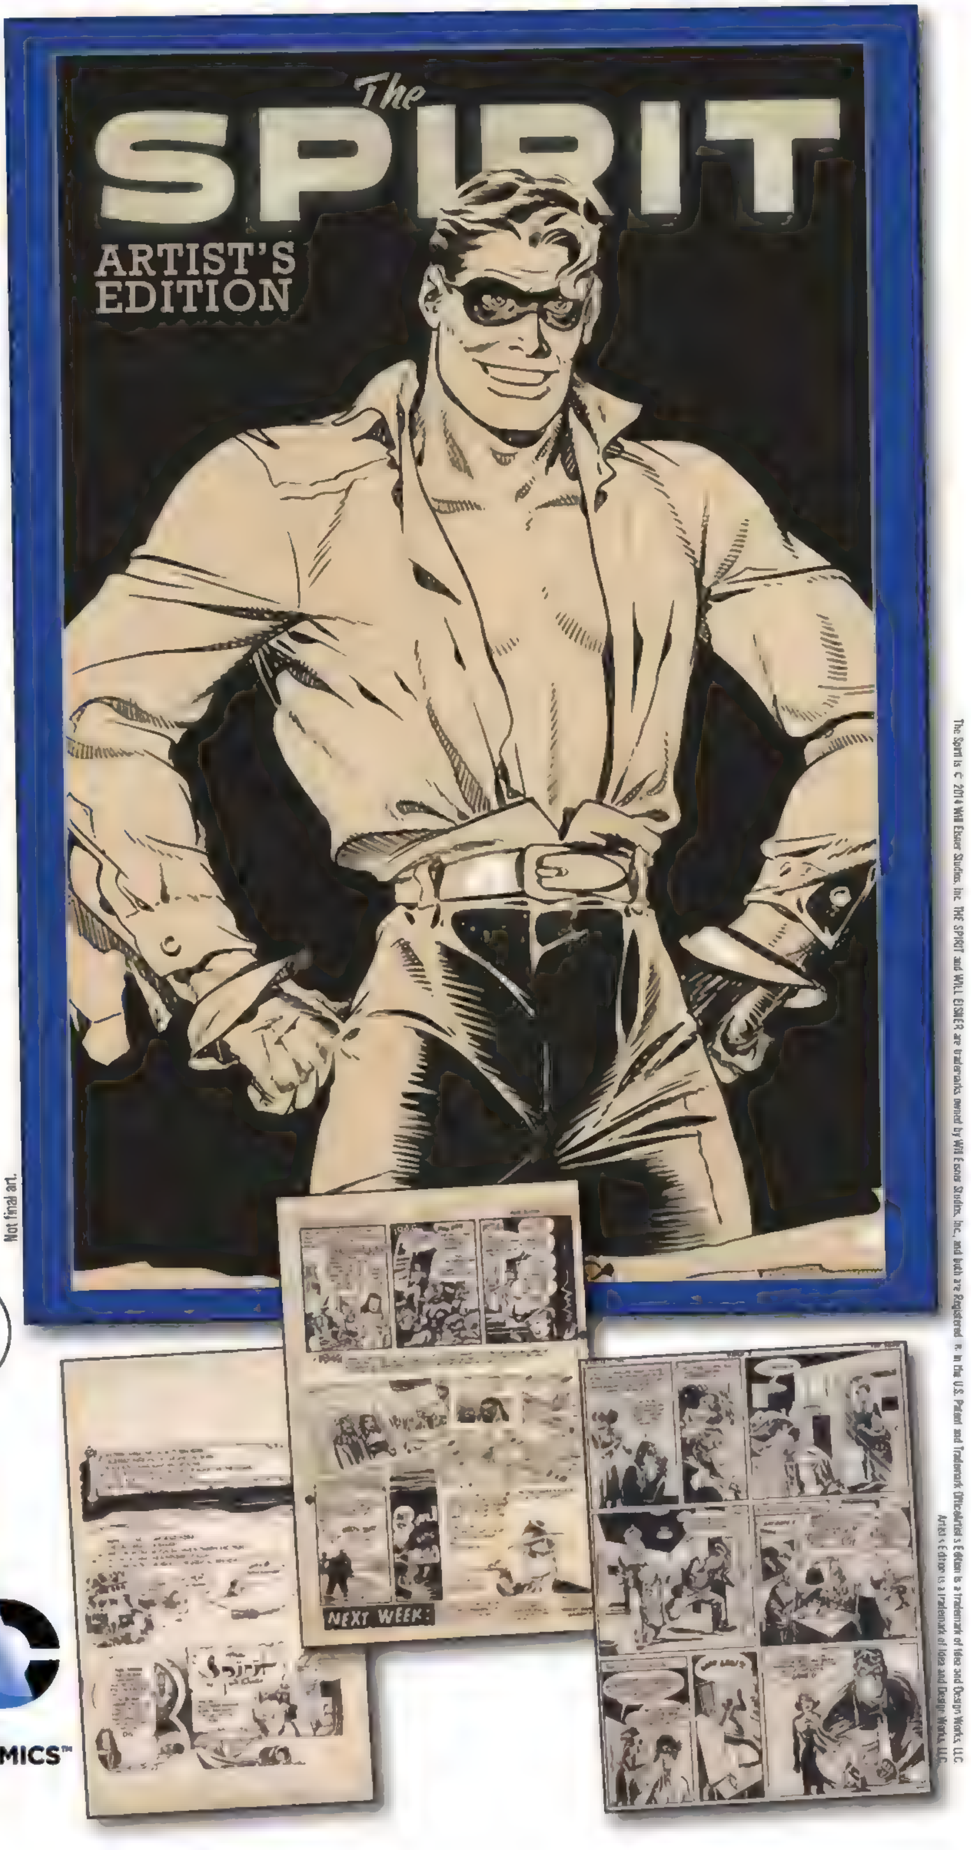
BW • 144 Pages • 15" x 22"
ISBN: 978-1-63140-146-6

$ Please Inquire

Will Eisner's work on *The Spirit* was, in its way, as groundbreaking as **Orson Welles**' *Citizen Kane*. Both artistic achievements rewrote the book on sequential storytelling, and had lasting impacts on all that followed them. Last Year IDW Publishing released Volume One of *Will Eisner's Spirit Artist's Edition* to universal acclaim (including being nominated for, appropriately enough, an EISNER award). Volume two will contain stories from the same glorious post-war period of 1946 - 1950, along with some of the very best from Eisner's run. If you are a fan of the first book (or are kicking yourself for missing it), make sure you don't get caught short–it just doesn't get any better than this!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art–for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.



Not final art.

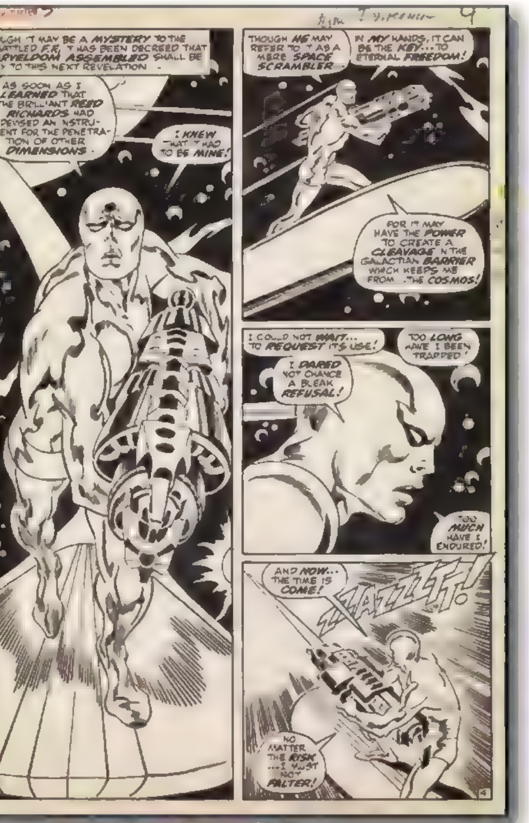
John Buscema was one of the most important artists at Marvel Comics for decades. He produced gorgeous pencils for some of the most iconic characters at the House of Ideas, including *The Avengers, Thor, The Fantastic Four, The Amazing Spider-Man,* and many more. But he is perhaps most acclaimed for his stunning rendition of the noble *Silver Surfer!* This Artist's Edition will include *Silver Surfer* classics #5 and #6, both double-sized issues, as well as other stories, a cover and classic page gallery, plus more! All done with the full endorsement and cooperation of the Buscema family.



THOUGH IT MAY BE A MYSTERY TO THE EMBATTLED F.F., IT HAS BEEN DECREED THAT MARVELDOM ASSEMBLED SHALL BE PRIVY TO THIS NEXT REVELATION.

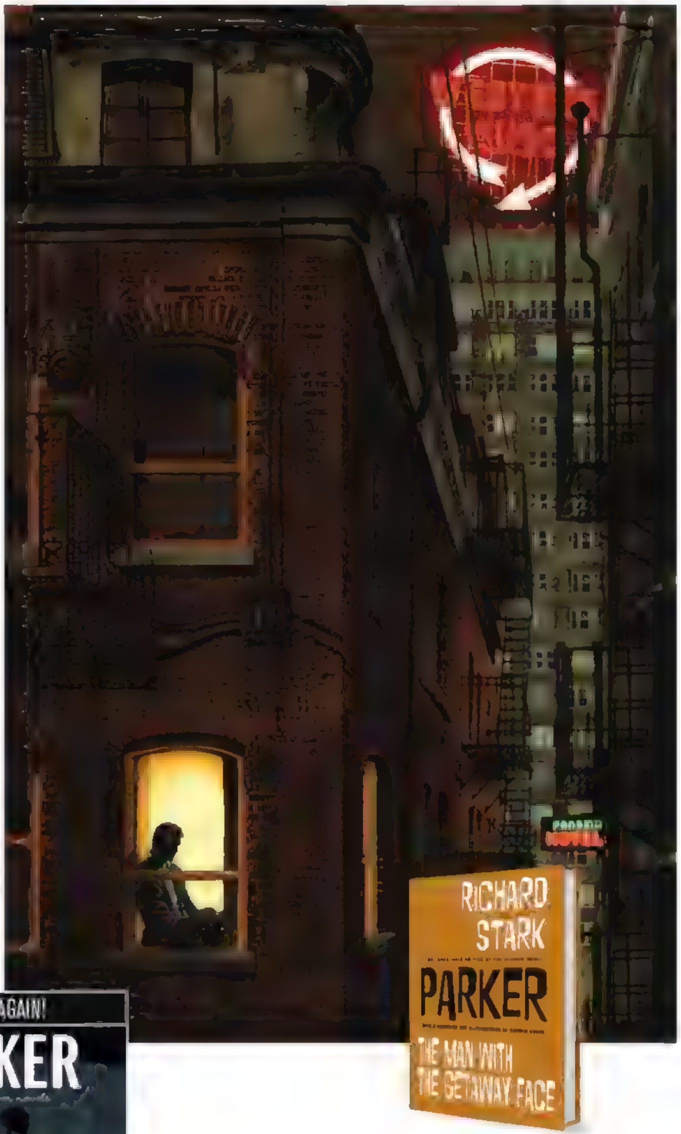
PARKER: THE MAN WITH THE GETAWAY FACE
BY RICHARD STARK WITH ILLUSTRATIONS BY DARWYN COOKE



RICHARD STARK
PARKER
THE MAN WITH THE GETAWAY FACE

[illegible]

ISBN: 978-1-[illegible] $29.99

The second book in IDW Publishing's new series of Parker novels, for the first time in a deluxe hardcover format!

Written by **Richard Stark** (A.K.A. **Donald Westlake**, the much-acclaimed mystery and crime author), and with illustrations by **Darwyn Cooke**, the multi-Eisner Award-winning creator of the Parker series of graphic novels. *The Man With the Getaway Face* starts off where *The Hunter* finishes—Parker faced off against the crime syndicate known as The Outfit. By reclaiming what was taken from him, in true Parker style, he now has some serious enemies who will be looking for him... the kind of enemies that don't forget, and never forgive. But the methodical Parker—as always—has a plan; he arranges to have his face altered. Once this is sorted, with little more than a glance in a mirror, Parker is off to his next score. But complications arise that could mean his new identity is exposed. A classic crime novel by the master of the craft!

Illustrating the action are 10 full color paintings by **Darwyn Cooke**, the incomparable artist of the Parker series of graphic novels. Cooke also lends his considerable graphic design talents to defining the look of the book, from layout to typography—producing a definitive version of Stark's classic novels.

A lavish coffee table book devoted to the most important political satire and cartoon magazine in American history. Published from 1877 to 1918, *Puck* was regularly a major political battleground and is credited with single-handedly thwarting the third-term ambitions of **Ulysses Grant** in 1880 and electing **Grover Cleveland** to the presidency in 1884.

Puck did it with art – lavish, color, full-page and two-page center-spread cartoons. It was the first American magazine to publish color lithographs on a weekly basis and, for nearly forty years, was a training ground and showcase for some of the country's most talented cartoonists, led by its co-founder, **Joseph Keppler**. This retrospective contains nearly 300 full-color plates.

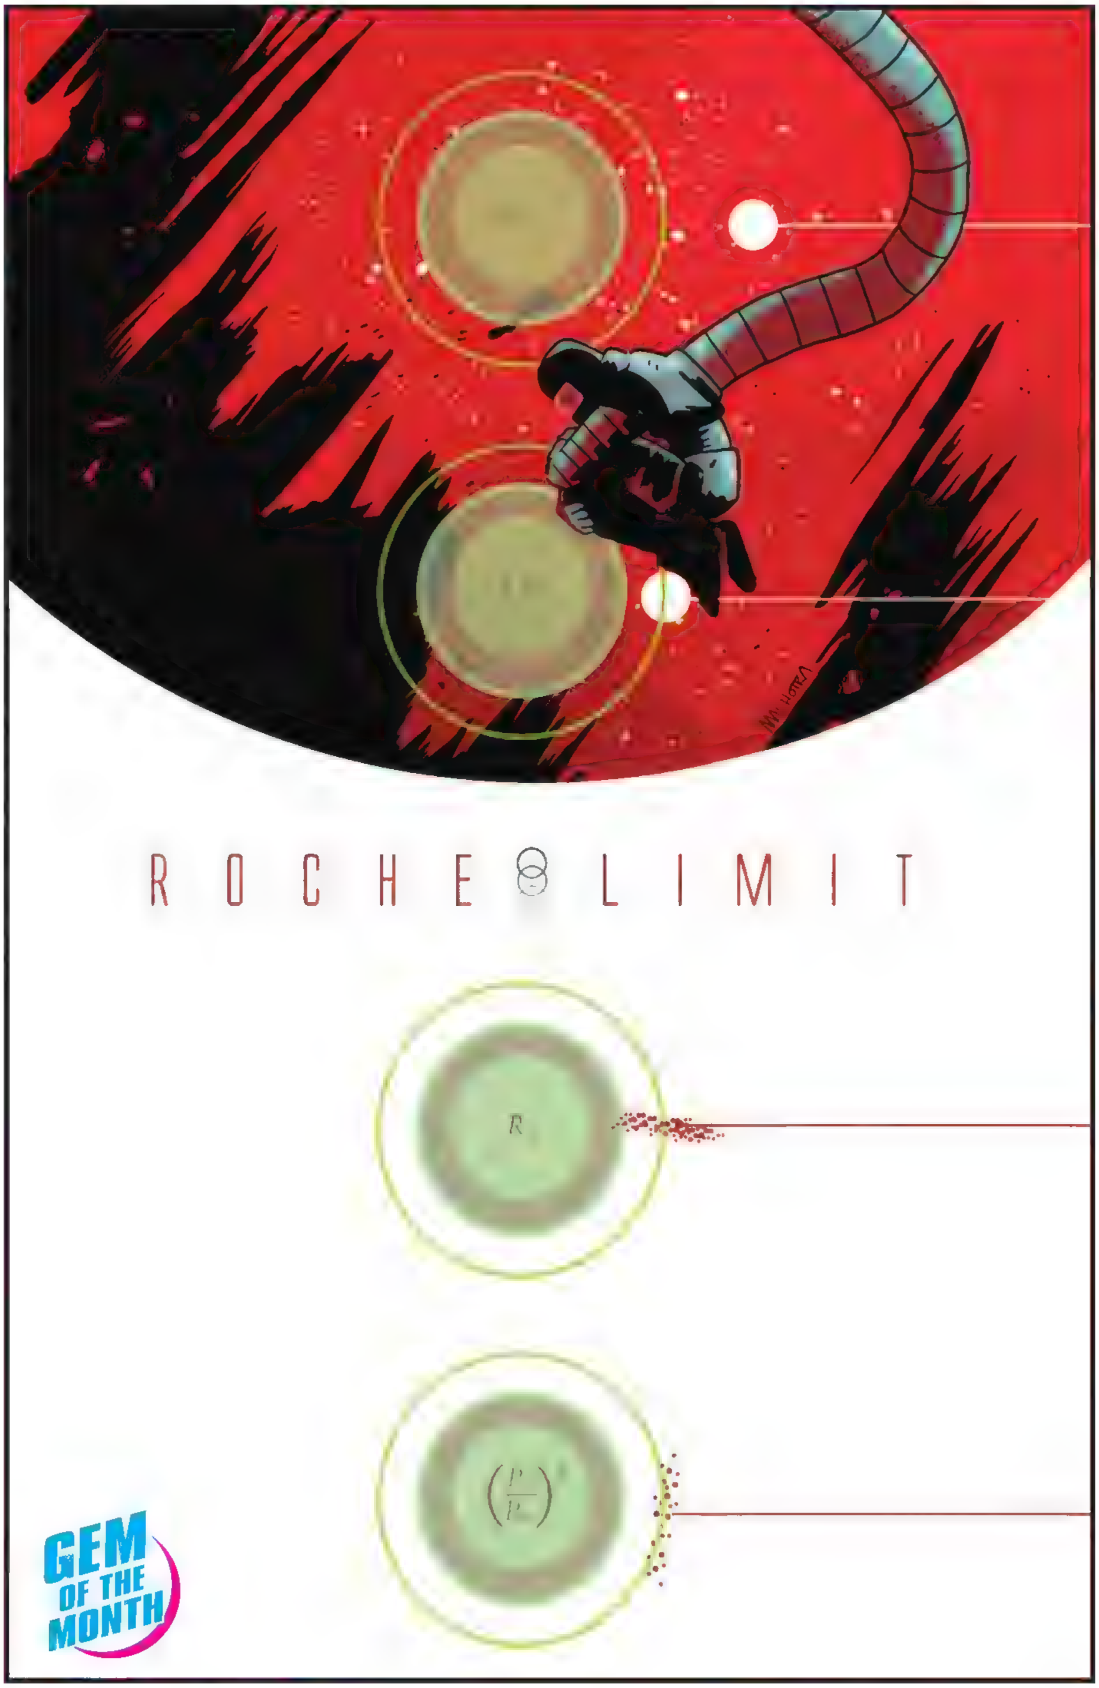
ROCHE LIMIT #1

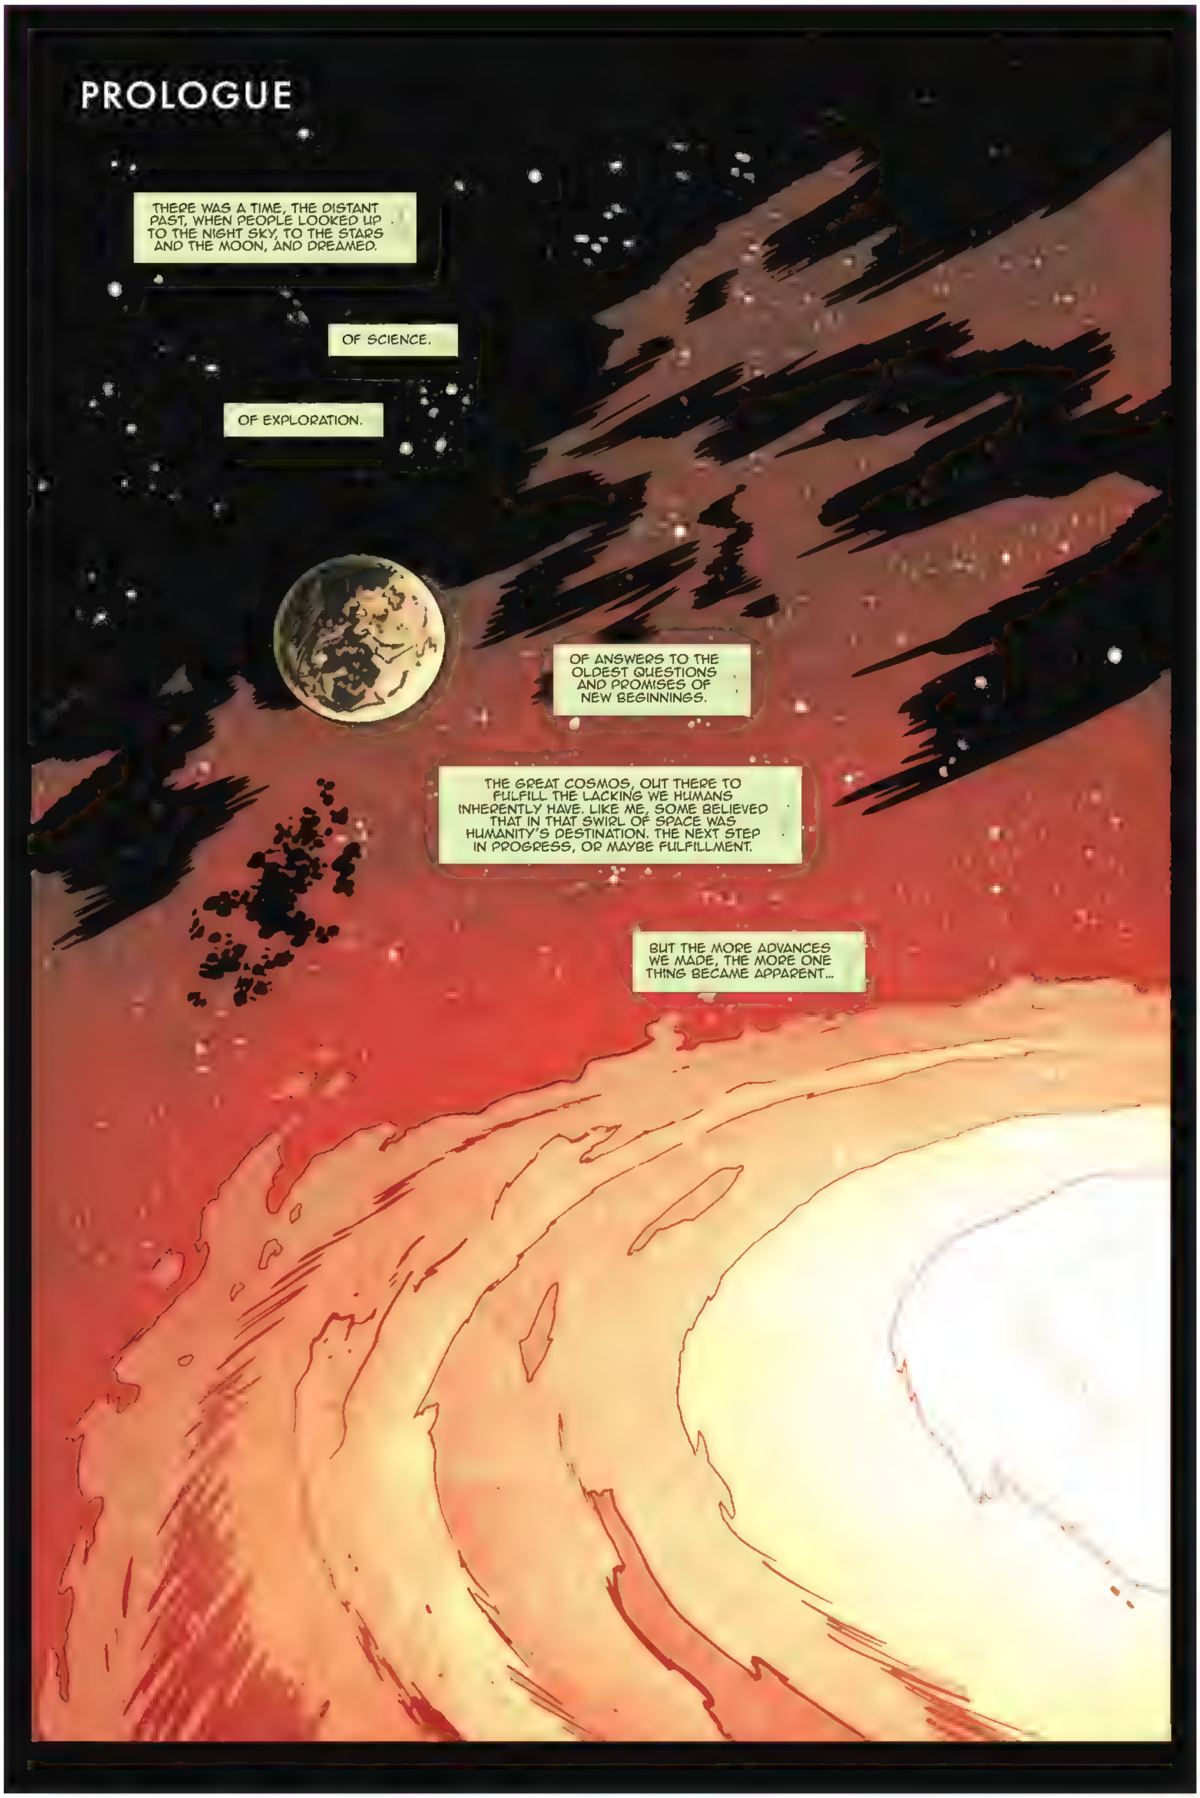
STORY:
MICHAEL MORECI
ART / COVER:
VIC MALHOTRA

SEPTEMBER 24
32 PAGES / FC / T+
$3.50

"OUR DESTINY IS THE STARS, AND I WILL LEAD US THERE." Twenty years after this promise, billionaire Langford Skaargard's dream of cosmic exploration is no more. Roche Limit, a colony situated on the cusp of a mysterious energy anomaly, is a melting pot of crime and terrible secrets. When Bekkah Hudson goes missing, the search to find her will plunge her sister and a cadre of the colony's underworld figures into an odyssey that reveals a grim future for mankind. Blending *2001: A Space Odyssey* with *Blade Runner,* **ROCHE LIMIT** is the first part of a bold sci-fi/noir trilogy.

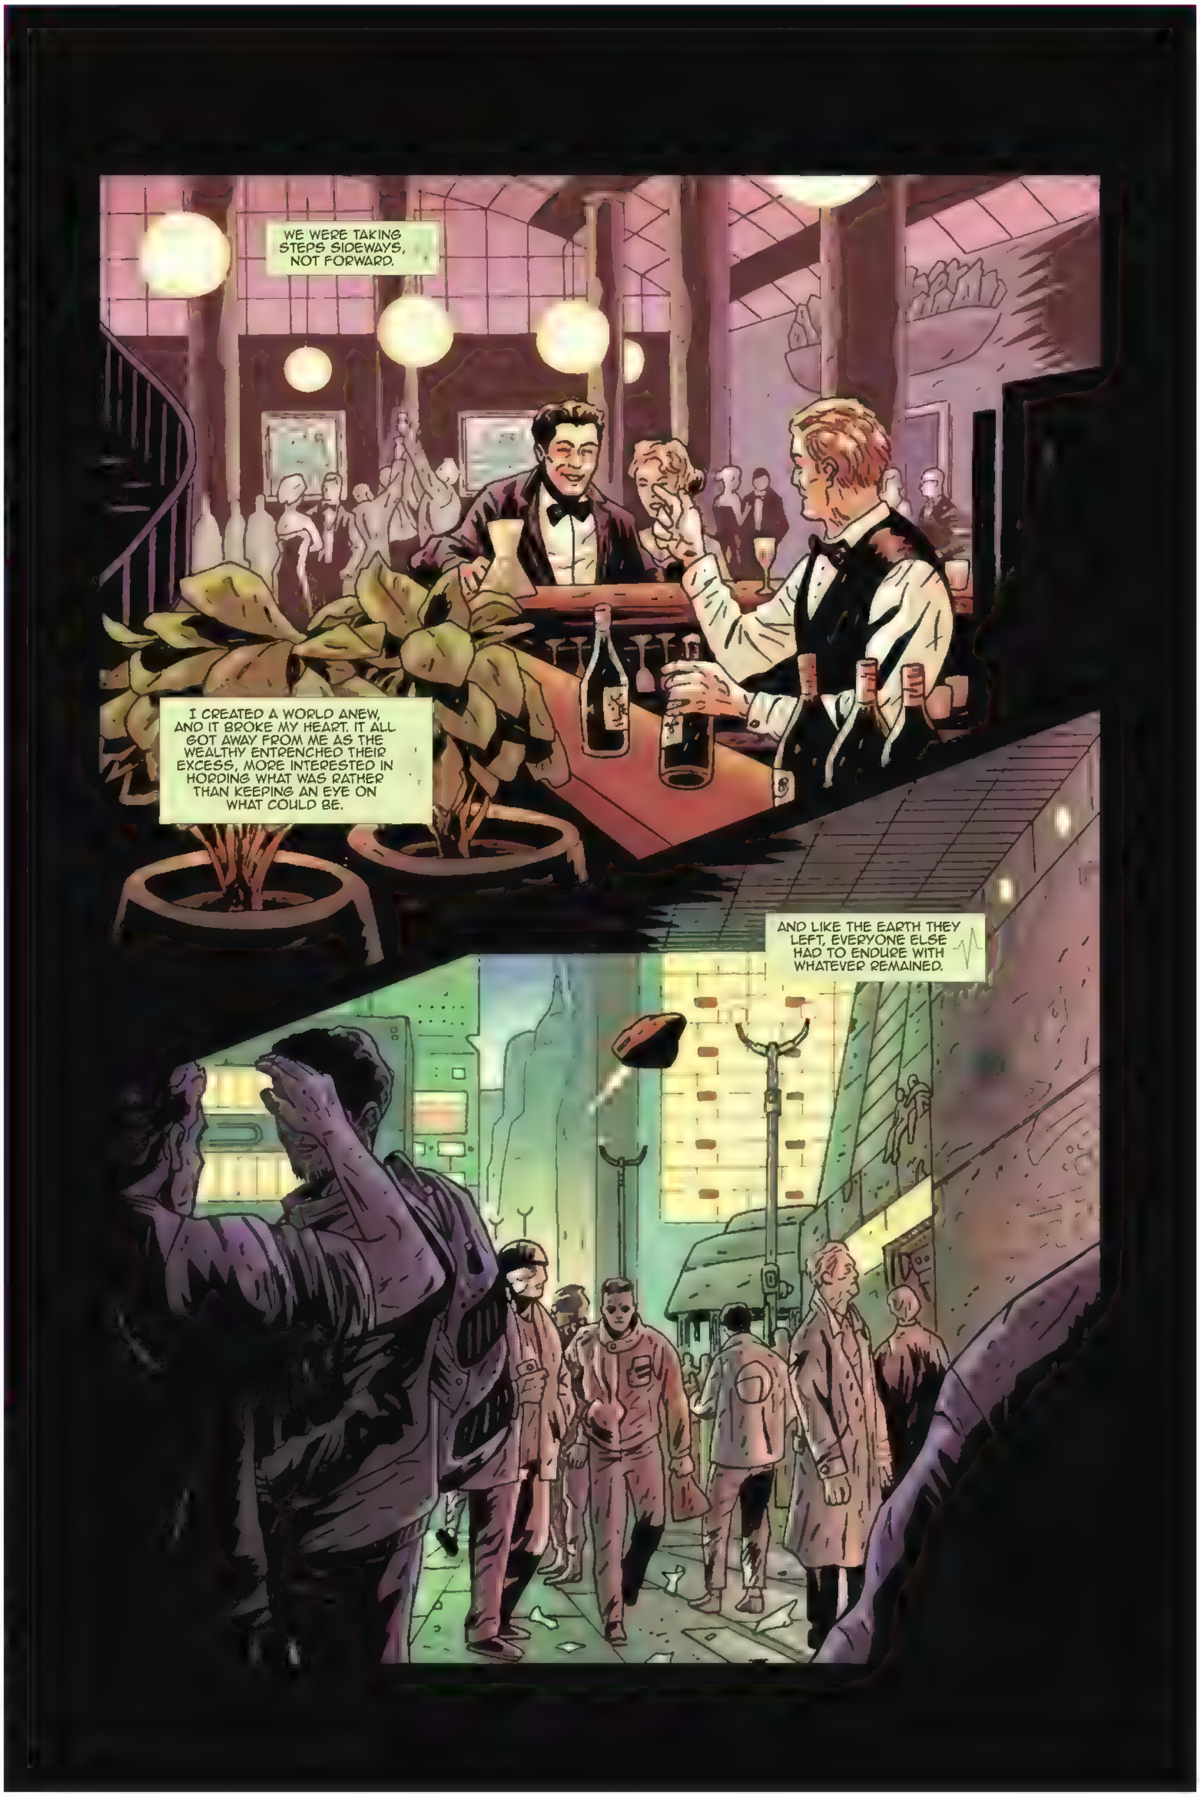


ROCHE LIMIT #1



PROLOGUE
THERE WAS A TIME, THE DISTANT PAST, WHEN PEOPLE LOOKED UP TO THE NIGHT SKY, TO THE STARS AND THE MOON, AND DREAMED.
OF SCIENCE.
OF EXPLORATION.
OF ANSWERS TO THE OLDEST QUESTIONS AND PROMISES OF NEW BEGINNINGS.
THE GREAT COSMOS, OUT THERE TO FULFILL THE LACKING WE HUMANS INHERENTLY HAVE. LIKE ME, SOME BELIEVED THAT IN THAT SWIRL OF SPACE WAS HUMANITY'S DESTINATION. THE NEXT STEP IN PROGRESS, OR MAYBE FULFILLMENT.
BUT THE MORE ADVANCES WE MADE, THE MORE ONE THING BECAME APPARENT...

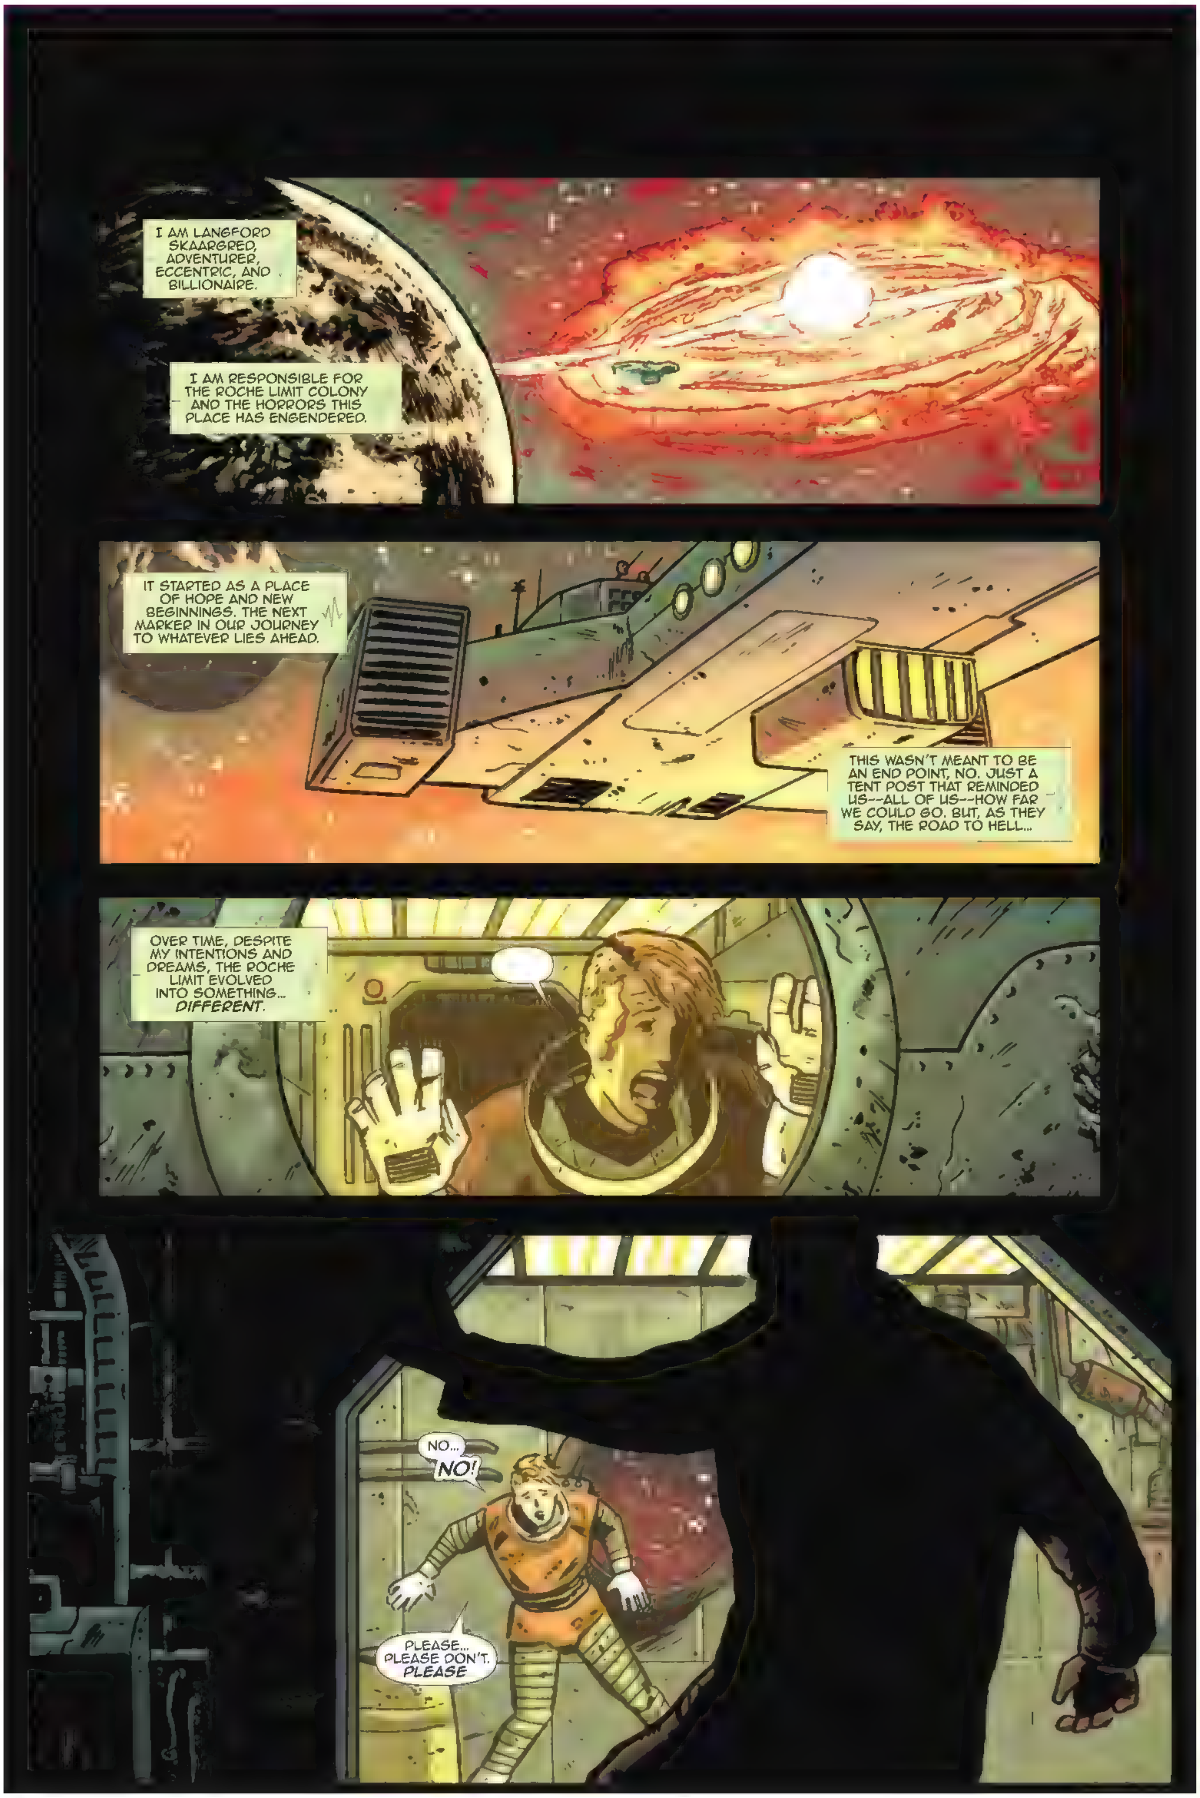
ROCHE LIMIT #1 SNEAK PREVIEW



WE WERE TAKING STEPS SIDEWAYS, NOT FORWARD.
I CREATED A WORLD ANEW, AND IT BROKE MY HEART. IT ALL GOT AWAY FROM ME AS THE WEALTHY ENTRENCHED THEIR EXCESS, MORE INTERESTED IN HORDING WHAT WAS RATHER THAN KEEPING AN EYE ON WHAT COULD BE.
AND LIKE THE EARTH THEY LEFT, EVERYONE ELSE HAD TO ENDURE WITH WHATEVER REMAINED.

SNEAK PREVIEW

ROCHE LIMIT #1



I AM LANGFORD SKAARGRED, ADVENTURER, ECCENTRIC, AND BILLIONAIRE.
I AM RESPONSIBLE FOR THE ROCHE LIMIT COLONY AND THE HORRORS THIS PLACE HAS ENGENDERED.
IT STARTED AS A PLACE OF HOPE AND NEW BEGINNINGS. THE NEXT MARKER IN OUR JOURNEY TO WHATEVER LIES AHEAD.
THIS WASN'T MEANT TO BE AN END POINT, NO. JUST A TENT POST THAT REMINDED US--ALL OF US--HOW FAR WE COULD GO. BUT, AS THEY SAY, THE ROAD TO HELL...
OVER TIME, DESPITE MY INTENTIONS AND DREAMS, THE ROCHE LIMIT EVOLVED INTO SOMETHING... *DIFFERENT*.
NO...
NO!
PLEASE... PLEASE DON'T. *PLEASE*

COPPERHEAD #1

SNEAK PREVIEW

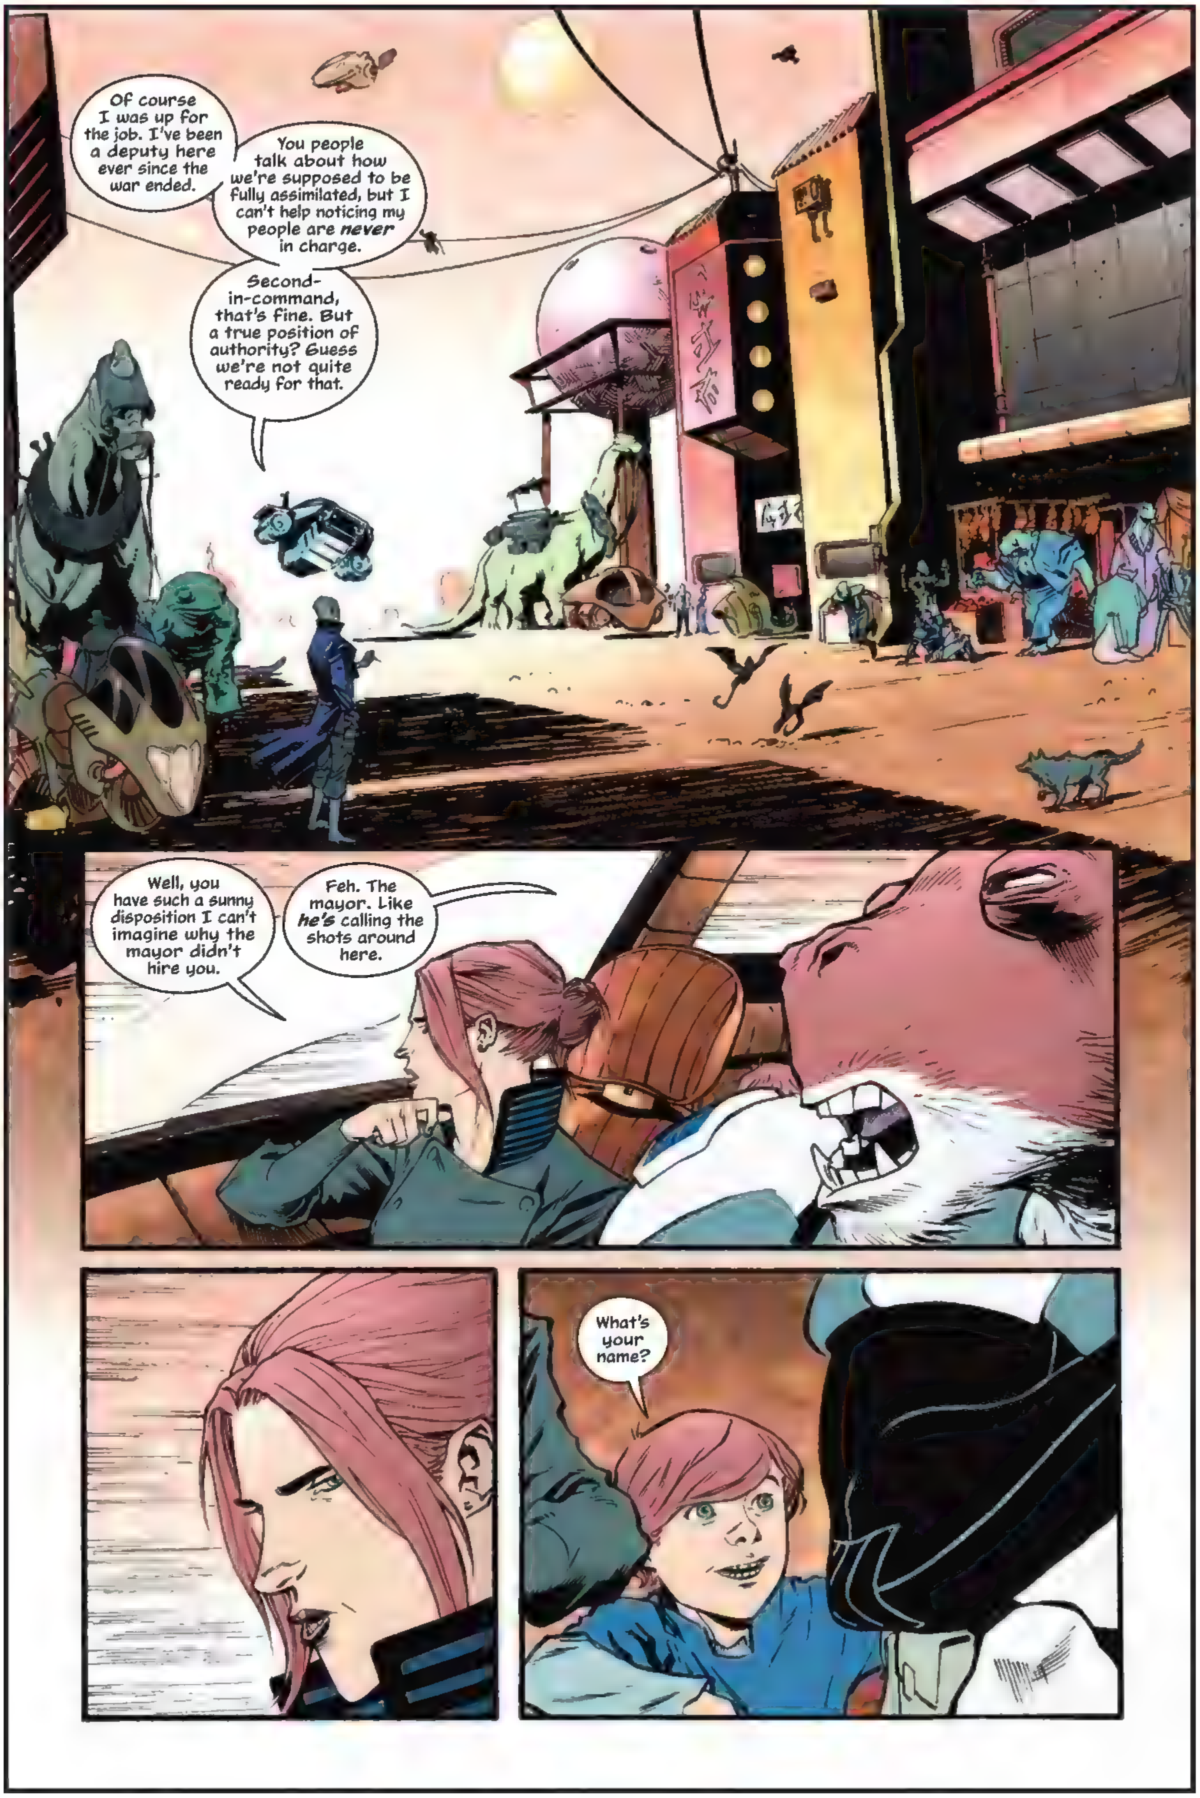
Car's this way.
MAC BAREN'S
No, it's okay. I got this.
There's two Fs, you know.
Beg pardon?
In "Sheriff." Your little sign. You spelled "Sheriff" wrong.
Huh.
That must be why they hired you instead of me. My spelling.
Ah. So you were up for the job?

COPPERHEAD #1



Of course I was up for the job. I've been a deputy here ever since the war ended.
You people talk about how we're supposed to be fully assimilated, but I can't help noticing my people are *never* in charge.
Second-in-command, that's fine. But a true position of authority? Guess we're not quite ready for that.
Well, you have such a sunny disposition I can't imagine why the mayor didn't hire you.
Feh. The mayor. Like *he's* calling the shots around here.
What's your name?

ODDLY NORMAL #1

STORY / ART / COVER:
OTIS FRAMPTON

SEPTEMBER 17
32 PAGES / FC / E
$2.99

Meet Oddly Normal, a ten-year-old girl with pointed ears and green hair—a half-witch who will be the first to tell you that having a mother from a magical land called Fignation and a father from Earth doesn't make it easy to make friends at school! On her tenth birthday, she blows out her cake's candles and makes a disastrous wish. Now, Oddly must travel to Fignation to uncover the mystery of her parents' disappearance.

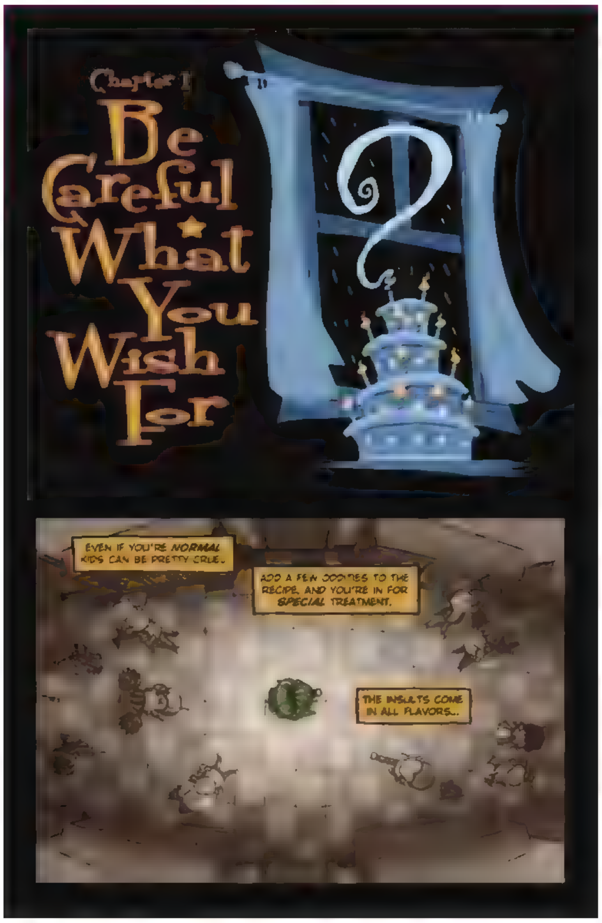
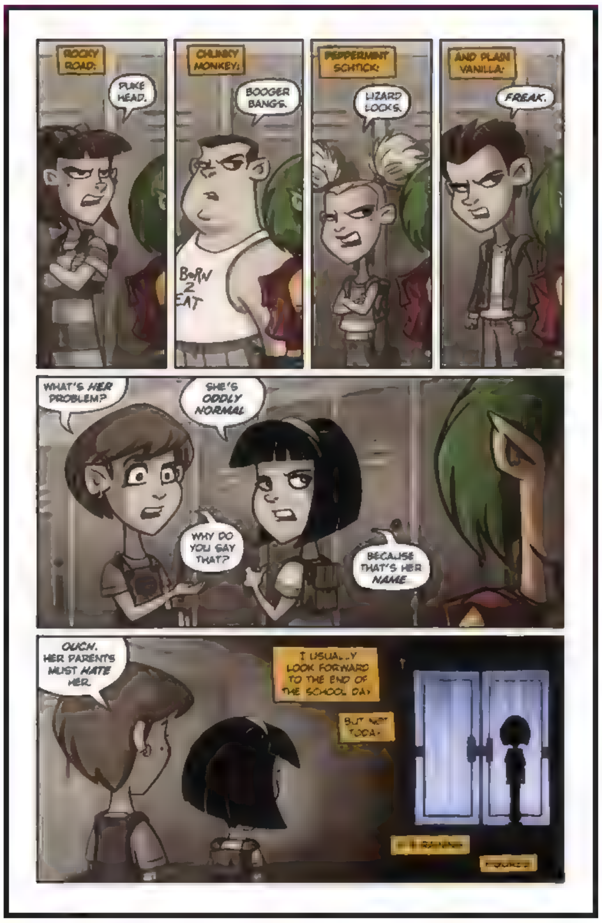
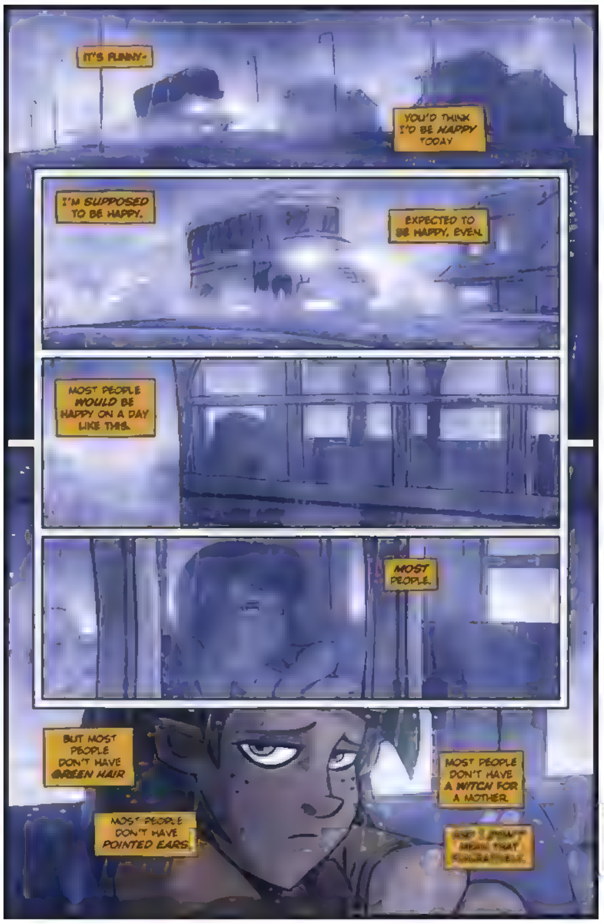
ODDLY NORMAL #1



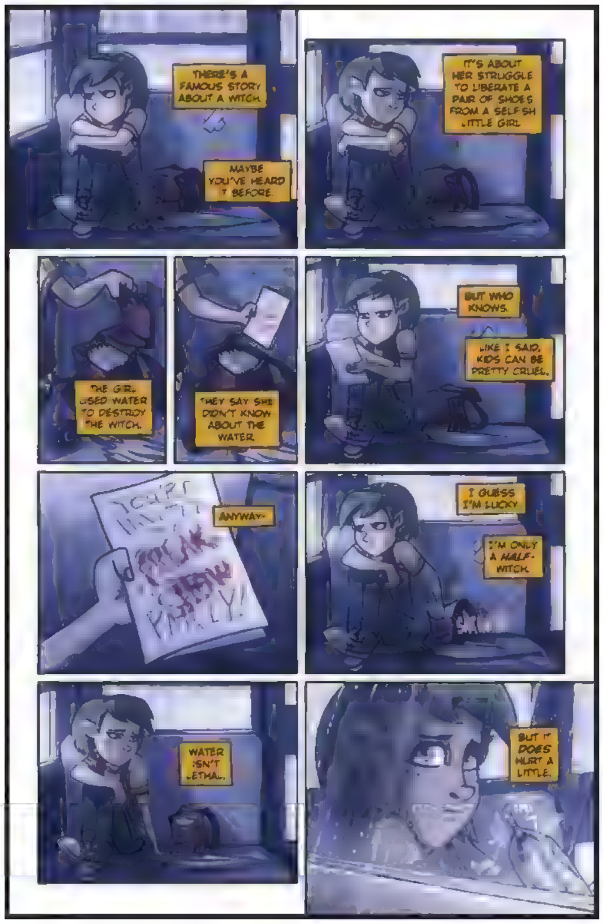
Chapter 1
Be Careful What You Wish For
EVEN IF YOU'RE NORMAL KIDS CAN BE PRETTY CRUEL.
ADD A FEW ODDITIES TO THE RECIPE, AND YOU'RE IN FOR SPECIAL TREATMENT.
THE INSULTS COME IN ALL FLAVORS...



ROCKY ROAD:
PUKE HEAD.
CHUNKY MONKEY:
BOOGER BANGS.
BORN 2 EAT
PEPPERMINT SCHTICK:
LIZARD LOCKS.
AND PLAIN VANILLA:
FREAK.
WHAT'S HER PROBLEM?
SHE'S ODDLY NORMAL
WHY DO YOU SAY THAT?
BECAUSE THAT'S HER NAME.
OUCH. HER PARENTS MUST HATE HER.
I USUALLY LOOK FORWARD TO THE END OF THE SCHOOL DAY
BUT NOT TODAY



IT'S FUNNY-
YOU'D THINK I'D BE HAPPY TODAY
I'M SUPPOSED TO BE HAPPY.
EXPECTED TO BE HAPPY, EVEN.
MOST PEOPLE WOULD BE HAPPY ON A DAY LIKE THIS.
MOST PEOPLE.
BUT MOST PEOPLE DON'T HAVE GREEN HAIR
MOST PEOPLE DON'T HAVE POINTED EARS
MOST PEOPLE DON'T HAVE A WITCH FOR A MOTHER
AND I DON'T MEAN THAT FIGURATIVELY.



THERE'S A FAMOUS STORY ABOUT A WITCH.
MAYBE YOU'VE HEARD IT BEFORE.
IT'S ABOUT HER STRUGGLE TO LIBERATE A PAIR OF SHOES FROM A SELFISH LITTLE GIRL
THE GIRL USED WATER TO DESTROY THE WITCH.
THEY SAY SHE DIDN'T KNOW ABOUT THE WATER
BUT WHO KNOWS.
LIKE I SAID, KIDS CAN BE PRETTY CRUEL.
ANYWAY-
FREAK
I GUESS I'M LUCKY
I'M ONLY A HALF-WITCH.
WATER ISN'T LETHAL.
BUT IT DOES HURT A LITTLE.

Comic shop owner isn't a job, it's a **calling**, in this full color, done-in-one-issue story exploring 50 years of comic book history! Comics helped Steve through some tough times growing up and he turned his love of the medium into a comic shop business. But is it worth the toll it takes on his family? "A personal story that's also a fun and fascinating walk through the history of comics retailing. A great read," wrote John Jackson Miller. ABRAMS COMICARTS

SING NO EVIL

(W) JP Ahonen (A/CA) KP Alare

Twenty-something guitarist Aksel stutters when he sings, and the latest reviews say he has the voice of a crow with throat plague. That's not a compliment, even for the avant-garde music his band Perkeros plays. Aksel is having a hard time keeping the band together, stopping his girlfriend from kicking him out, and not getting eaten by his drummer (who happens to be a cranky brown bear). There are also the rival bands that Perkeros find themselves in battle with to save the city from supernatural forces set loose by ancient music. The key to it all could be in the music Aksel hears in his dreams — if it doesn't drive him mad first. (STK648570) (C: 0-1-0)

THE WARREN COMMISSION REPORT

(W) Ernie Colón, Dan Mishkin

(A/CA) Ernie Colón, Jerzy Drozd

Within days of the murder of President John F. Kennedy, Lyndon B. Johnson appointed a seven-member commission to investigate the assassination. In its report, the Warren Commission determined that there was "no credible evidence" conflicting with its conclusion of a lone gunman. *The Warren Commission Report: A Graphic Investigation into the Kennedy Assassination* breaks down how decisions in the days that followed the assassination not only shaped how the commission reconstructed events but also helped foster the conspiracy theories that play a part in American politics to this day. BIG NATE: THE CROWD GOES WILD TP
(W/A/CA) Lincoln Peirce

Aspiring cartoonist Nate Wright is the star of *Big Nate*, the daily and Sunday comic strip, which has been nationally syndicated since 1991. Nate is 11 years old, four-and-a-half feet tall, and the all-time record holder for detentions in school history. He's a self-described genius and sixth grade Renaissance Man. To draw *Big Nate*, Peirce relies on memories of his own childhood and the experiences he collected teaching art at a New York City high school. Peirce occasionally turns his pen over to his creation, and readers get to see life through Nate's eyes as he doodles his adventures in his notebook. (STK648084) (C: 0-1-0)

BUTTERFLY #1

BOOM! Studios

Spies are back, my friends. Black Widow, Velvet, Archer — secret agents are on the rise. I can't tell you how much it thrills me to see fresh stories starring the ol' cloak and dagger again.

Butterfly, the newest offering from BOOM, intrigues the reader with an anti-femme fatale, a lady spy with a talent for looking ordinary and inconspicuous. Even further from the expected, our authors Arash Amel (of *Grace of Monaco*) and Margueritte Bennet (of DC Comics' multiple *Batman* storylines) introduce us to the protagonist's infamous, supposedly-dead father. Their wonderful set up gives us spies not only with history, but with progeny. If you thought international espionage was complicated, try adding family politics and live ammo!

JULIE MAROH
SKANDALON

By the author of *Blue Is the Warmest Color*: a stunning graphic novel on the downfall of a rock legend. "Skandalon," found in the Gospels, refers to a persistent trap or obstacle, such as the one that confounds the mesmerizing, Jim Morrison-like lead character Tazane. He is a true rock icon: passionate, arrogant, selfish, and sometimes violent, the charismatic singer is a beacon for controversy and scandal. But the public that worships him and the media that lavishes attention on him are waiting for him to fall from grace. At times shocking, *Skandalon* is a powerful and relentless meditation on the high cost of fame, and the demons awaiting anyone who refuses to be wary of them. PARIAH, MISSOURI GN

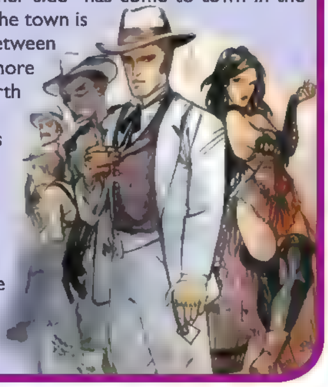
Salazar Entertainment

The early American frontier was a harsh reality for most of those who lived it, but most of those early pioneers still never saw the kinds of strange and unexplained phenomena that the folks of Pariah, Missouri will face.

Hiram is an undercover Pinkerton agent sent to the frontier town of Pariah with the task of flushing out the criminal enterprise that's made the town its home. For a single agent like Hiram, the mission is difficult enough, but the local criminal community may not be the worst element hiding in the shadows. Evil from "the other side" has come to town in the form of entertainment and everyone in the town is vulnerable to its spell. Amid the battle between the law and the lawless, an even more terrifying battle rages between life on Earth and the darkness beyond.



Andres Salazar and Jose Luis Pescador team up to bring readers the first beautifully rendered volume in their *Pariah, Missouri* graphic novel series that reveals the haunting history of the town and its inhabitants. In the land of indie comics, it seems there's a new creative team in town.

GARTH ENNIS · MICHAEL DIPASCALE
ROVER RED CHARLIE
THE STORY OF THREE BEST FRIENDS AT THE END OF THE WORLD
AVATAR Collected Volume

ROVER RED CHARLIE

Trade Paperback

"In Rover Red Charlie, an uncomprehending dog's-eye view of the apocalypse, perhaps the medium's finest writer essays a breathtaking feat of the imagination with enormous heart and not a trace of sentiment. Given a damp and warm reality by Michael DiPascale's beautifully-judged art, Garth Ennis manages, with hardly any homo sapiens in sight, to tell what is quite possibly the most profoundly human story of his already astonishing career. This is a book for life, not just for Christmas."
—ALAN MOORE

Retail Price: $19.99

Writer: Garth Ennis
C & A: Michael DiPascale
MR, Color, 160 pages

About: GARTH ENNIS – the creator of *Preacher* and *Crossed* – delivers a story like no other, as an unlikely band of canines set out to survive in a world gone horribly mad. When a worldwide plague wipes out humanity, what happens to man's best friend? Charlie was a helper dog and he was good at it. Now he and his friends Rover and Red must escape the bloody city and find their way in this strange master-less new world. Ennis applies his incredible talent for shockingly original tales and spot-on dialogue in this fully painted story that will change the way you look at pets and takes you on a spiritual journey of rediscovery through the eyes of these canine best friends. Rover Red Charlie Vol 1 TP collects issues #1-6 of the comic book series.

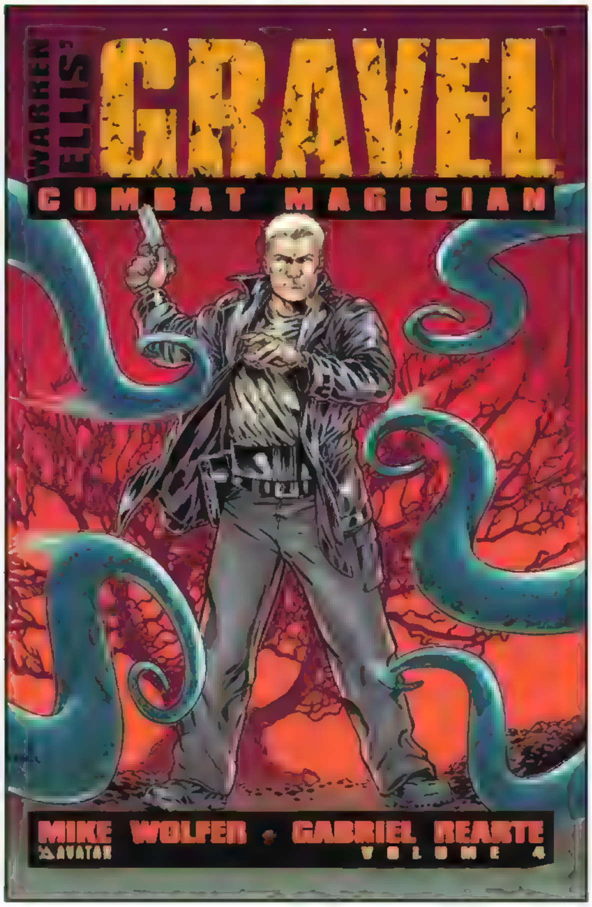
Writer: Kieron Gillen
C & A: Caanan White
MR, Color, 160 pages

About: KIERON GILLEN redefined the alternate history comic by radically revitalizing the super soldier in the pages of Uber. This sweeping war epic shows all the grime, and fear, and blood of enhanced soldier warfare in an unrelenting World War II drama. The first blow in the battle between English and German Ubers has been wrought and neither nation walks away whole. The war rages on in the Pacific Theatre as Japanese Kamikaze pilots attempt to drive the US forces out while delivering devastating losses to the enemy naval fleet. But the tides of war change as the Japanese deploy their own enhanced soldiers and the Germans deliver their devastating secret attack. Uber Vol 2 TP collects issues #6 – 11 of the ongoing Uber comic book series.



GRAVEL VOLUME 4 COMBAT MAGICIAN TPB

Retail Price: **$19.99**

Writer: Mike Wolfer - **Cover & Art**: Gabriel Rearte
MR, Color, 144 pages

About: WARREN ELLIS' hardened combat magician, William Gravel returns with a violent new adventure taking him into the heart of Japan to face a rogue magic wielding assassin. Written by long-time Ellis collaborator, MIKE WOLFER, this tale returns the hard as nails Gravel to action against supernatural forces that threaten to reveal the very existence of the Combat Magicians and leaves a trail of victims in its wake. This volume includes a special introduction chapter to the world of Gravel for new readers and brings one of comics longest running independent characters back to the bloody violence filled world he pioneered. Artist Gabriel Rearte vibrantly creates the ultra-violent combat magic-fueled assassin's domain with horrors that are right out of your worst nightmares. Gravel Vol 04 Combat Magician collects issues #0 – 4 of the comic book series.

GEORGE PÉREZ'S SIRENS

This September, BOOM! Studios is proud to present ***SIRENS***, a new original series created, written, and illustrated by the legendary **GEORGE PÉREZ** *(WONDER WOMAN, CRISIS ON INFINITE EARTHS)*. We'll let George tell you about it:

SIRENS is the story of a group of heroes exiled from both time and place. Set in the far future, the population of Earth (now known as Terra-Prime) has mostly emigrated to other planets, some of whom were not as welcoming to these new settlers as others. Once protected by the heroes known only as the Sirens, now Earth itself is a blasted husk of its former self, its ruins equally settled by the immigrants of the other worlds, some with long-standing grudges that cause further unrest among the remaining population of Terra-Prime, who find themselves the minority species on their own world. Where did the once celebrated Sirens disappear to?

We discover the truth behind their disappearance through the story of nine former warriors, pirates, terrorists, rebels, or freedom fighters (depending on allegiance or ideology), once part of the Sirens, who are now the only surviving members of a bigger team involved in a major interplanetary war. Many Sirens paid the ultimate price to save what part of Earth that they could, but even then, those that survived were mistakenly declared complicit in the destruction of the planet, and sentenced to death.

To escape capture and imminent execution, eight of the remaining Sirens, utilizing the Temporal Transporters of a time ship called The Paradox, hid out in various periods of Earth's history, awaiting the day they would be able to return to their own time in order to vindicate themselves at the behest of their brave leader Highness.

A menace long-thought dead has returned and all that the Sirens sacrificed life and liberty for may be undone. The fate of Terra-Prime once again hangs in the balance, as the hordes of Perdition, led by his female captain Niada, begin to gather. Thus, the Sirens must abandon their respective sanctuaries in the past and return to fight in a future that still regards them as mass murderers.

> WHY WE LOVE IT

The name George Pérez should say it all, but we are beyond excited to work with one of comics' living masters on his own original title. He's worked on great female characters like Wonder Woman and Scarlet Witch, but this, a team of female heroes of his own creation, had us hooked.

> WHY YOU'LL LOVE IT

It's a sci-fi adventure story that spans time and space, featuring a team of female heroes that kick butt across the universe. If you like strong female sci-fi characters like ***BATTLESTAR GALACTICA***'s Starbuck, ***STAR WARS***' Princess Leia, and ***ALIEN***'s Ripley, you'll find nine reasons to love ***GEORGE PÉREZ'S SIRENS!***

> WHAT IT'S ABOUT

As an intergalactic force enslaves planets across the galaxy, the legendary team known only as the Sirens must reunite to save the galaxy—but is that even possible when the Sirens themselves don't even remember who they are? And the rest of the universe only remembers them as... villains? A six-issue, bi-monthly miniseries featuring your new favorite comic book team, written and drawn by the master himself, George Pérez (*WONDER WOMAN, JLA VS. AVENGERS*) begins his greatest story yet.

THE WOODS
JAMES TYNION IV • MICHAEL DIALYNAS

THE WOODS VOL. 1 TP

Certified Cool

STORY: JAMES TYNION IV

ART: MICHAEL DIALYNAS

COVER ART: MICHAEL DIALYNAS

$9.99	112 PAGES	FULL COLOR

> WHY WE LOVE IT

As fans of James Tynion IV's work in the Batman universe (*BATMAN ETERNAL, RED HOOD AND THE OUTLAWS)*, we were eager to publish his first original comic series. ***THE WOODS*** gives us that same eerie, small-town horror feel we get whenever we read a Stephen King novel.

> WHY YOU'LL LOVE IT

James Tynion IV is a former protege of ***BATMAN*** writer Scott Snyder, so you know he's learned a lot about how to craft a compelling tale. If you're a fan of teen conspiracy comics like ***MORNING GLORIES***, ***SHELTERED***, and ***REVIVAL***, you'll immediately be sucked into ***THE WOODS***. At a $9.99 introductory price, how could you not be?

> WHAT IT'S ABOUT

On October 16, 2013, 437 students, 52 teachers, and 24 additional staff from Bay Point Preparatory High School in suburban Milwaukee, WI vanished without a trace. Countless light years away, far outside the bounds of the charted universe, 513 people find themselves in the middle of an ancient, primordial wilderness. Where are they? Why are they there? The answers will prove stranger than anyone could possibly imagine. Collects issues #1-4 of the critically acclaimed series.

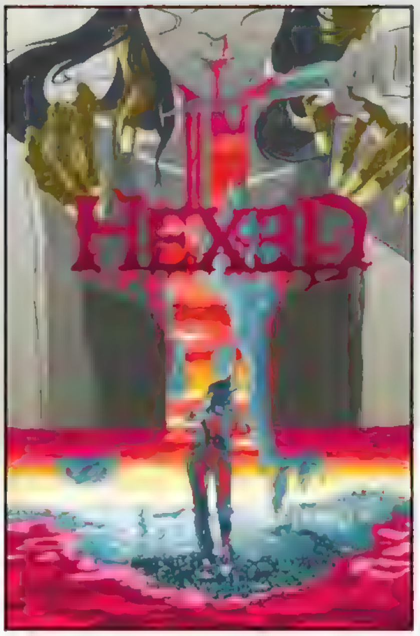
$3.99	32 PAGES	FC

Jumping on issue! Following last issue's harrowing revelations, we catch a glimpse of Bay Point Preparatory High School before the fateful events of October 16, 2013 in this new story arc. On opening night of the school's rendition of "A Midsummer Night's Dream," the lives of the students and faculty crossed paths in an almost premonitory way, seeding the various horrors to come.

HEXED #2



STORY: MICHAEL ALAN NELSON

ART: DAN MORA

COVER ART: EMMA RIOS

$3.99	32 PAGES	FC

After unwittingly unleashing Yves from the Empty Garden, there's only one place Lucifer can go to set things right...and that's the Shade itself. And as Lucifer traverses the underworld in search for a cure, Val and Raina become pawns in a much larger game...

> WHY WE LOVE IT

We love smart takes on classic science fiction mythos and who better to take advantage of the iconography of H.G. Wells and ***WAR OF THE WORLDS*** than Dan Abnett, one of comics' most renowned sci-fi writers and one of the creators responsible for the groundbreaking run on ***GUARDIANS OF THE GALAXY*** that inspired the upcoming Marvel movie. Paired with I.N.J. Culbard, who has made a name for himself with the critically acclaimed adaptation of H.P. Lovecraft's ***AT THE MOUNTAINS OF MADNESS***, it's a team perfectly built for the visually impactful adventure stories readers love.

> WHY YOU'LL LOVE IT

Inspired by the sci-fi aesthetic of ***WAR OF THE WORLDS*** and the anthropomorphic characters of ***BLACKSAD*** and ***MOUSE GUARD***, readers will be blown away by Culbard's art while fans of Edgar Wright and Simon Pegg's Cornetto Trilogy *(SHAUN OF THE DEAD, THE WORLD'S END)* will fall in love with Clive, Peter, and Gilbert as they try to survive an alien invasion.

> WHAT IT'S ABOUT

When a rural English community of the 1930s is the victim of an alien invasion, the residents' lives are upended by the harsh realities of life-and-death violence. Led by the town's outsider and retired war veteran, they will have to rally together to uncover the secret of their invaders and ultimately fight back.

Who doesn't love a good magic trick? From ***HEXED***, to ***THOMAS ALSOP***, to ***THE LAST BROADCAST***, we've always had a few tricks up our sleeves, and ***CLOAKS*** continues the tradition with a Black Ops twist.

> WHY YOU'LL LOVE IT

Caleb Monroe (*STEED AND MRS. PEEL, BATMAN*) and artist Mariano Navarro (*PROTOCOL: ORPHANS*) bring you the Robin Hood of Wall Street, combining street magicians with a spy-fi thriller.

> WHAT IT'S ABOUT

In the Big Apple, a highly skilled street illusionist named Adam blows the minds of crowds with logic-defying acts, while surreptitiously using his artistry to steal from corrupt Wall Street investment bankers and re-distribute their ill-begotten wealth to those in need. He's a modern-day Robin Hood, but his travails garner the attention of the local authorities. While evading their pursuit, Adam is confronted by three suits and quickly ascertains that freedom has a cost–in order to maintain his liberty, he must join this clandestine Black Ops organization simply known as ***CLOAKS***.

WHY WE LOVE IT

The *SONS OF ANARCHY* TV series has captivated the attention of the entire BOOM! team with its smart plotting, compelling characters, and modern vision of the outlaw genre. We love the show so much we couldn't wait to help expand the world of SAMCRO.

WHY YOU'LL LOVE IT

Gun-smuggling outlaw bikers with complex pasts and growing personalities. If you love "guys with guns" like we do, this is that genre at its most elevated.

WHAT IT'S ABOUT

A troubled girl named Kendra finds herself back in Charming in desperate need of help. When the Sons of Anarchy realize she's the estranged daughter of an old member, Tig rallies the club to offer protection. But if SAMCRO wants to keep everyone out of an early grave, they'll have to step into the line of fire. Written by *New York Times* best-selling author Christopher Golden *(BUFFY THE VAMPIRE SLAYER)* and illustrated by Damian Couceiro *(PLANET OF THE APES)*, *SONS OF ANARCHY: VOL. 1* collects the first six issues of the ongoing comic book series and runs parallel with Season 5 of Kurt Sutter's hit television series.

DYNAMITE CREATORS UNLEASHED!™

ONLY $2.99!

A NEW SERIES WRITTEN BY DUANE SWIERCZYNSKI (CABLE/DEADPOOL, JUDGE DREDD)

Duane Swierczynski (w) Keith Burns (a) Tim Bradstreet (c)
FC I 32 pages I $2.99 I Mature I 9/3

Dynamite is proud to present Ex-Con, the next book in a series of creator driven comics – with The Creators Unleashed, featuring all new concepts and characters from the industry's best and brightest! This month, we present Ex-Con, written by Duane Swierczynski (Cable/Deadpool. Judge Dredd)! 1985: L.A. con artist Cody Pomeray had a gift for looking inside a mark's soul with just a glance. But one fateful night, he targeted the wrong man -- and was sentenced to the most savage prison in California. Pomeray would have been beaten to death on his first day if not for the intervention of Barnaby Creed, the most powerful crime lord in the Southland...

1989: Now Pomeray's out on parole, robbed of his special ability and tasked with doing Creed "a little favor." He has no idea he's just stepped into a long con, and this time, *he's* the mark...

WHAT IS EX-CON?

AN INTERVIEW WITH DUANE SWIERCZYNSKI

DYNAMITE ENTERTAINMENT: How would you describe Cody Pomeray, the titular character of EX-CON?

DUANE SWIERCZYNSKI: Cody's your classic grifter -- there's nothing he wouldn't steal, including his name (which he picked up from a Beat novel he once read). To me, the difference between a grifter and bandit is their choice of tools: bandits use deadly weapons, while gifters use their brains. Cody's brain, however, works in a slightly different way. He interprets mental states as actual colors, so it's easy for him to know who's lying to him, as well as who wants to lay down with him (if you know what I mean). He calls it "Seeing the Lights," and it's served him well over the years... until our first issue.

DE: By the nature of the title itself, we know that Cody has already experienced his crime and punishment. Will the story be firmly set after his stint in prison, or will we get to experience flashbacks to his jail time and what shapes him into his current state?

DS: The story opens with a brief glimpse of his freewheelin' life before prison, but yeah -- we pick up his tale five years later (in 1989), on the day he's released. That said, we do have some brutal looks back at Cody's prison days, because they absolutely set him on the doomed road he's currently traveling.

DE: The events of EX-CON are set in the Eighties. How does that era -- its politics, materialism, societal fears and distractions, etc. -- play a role in the story?

DS: I think certain eras have their ideal crime stories -- and Cody's story just felt like it came screaming out of the 80s. It's also nice to play in a world where you can't rely on cell phones or the internet. And of course, there's the music, the drugs, the drinking, the clothes... artist Keith Burns and I have been having a blast.

DE: Should fans of your previous comics work anticipate similar themes to appear in EX-CON? Any comparison titles from the Swierczynski library whose readers are ideally suited to enjoy this new project?

DS: EX-CON is probably my first balls-out crime story for comics, as opposed to other comics that have had a superhero or science-fiction element to them. Granted, Cody has an ability that could be considered a superpower, but he's no hero, believe me.

Fans who've liked my darker novels -- THE WHEELMAN or THE BLONDE, for instance -- will feel at home in Cody's twisted little noir world.

DE: Why don't you give us something to salivate over -- what's something you can tease (without giving too much away, obviously) that'll make people really sit up and take notice of EX-CON?

DS: I'm torn; do I mention the infamous wine-coolers-in-the-garage scene? Or the [redacted] sequence that I'm pretty sure made Keith Burns blush? Or the bearded horror/porn director who... ahhhh, I can't give anything away. You're just going to have to enjoy the 80's splendor along with poor Cody.

Our story begins when the silver tongued demon Masodik tricks and kidnaps both Dawn and Vampirella, He tells them that they are the 2 most beautiful women in all of the worlds, these two 'Bad Girls' Their demon host demands a cat fight to see who is best suited to his purposes, but the ladies suggest something more feminine -- a storytelling contest. Together they take us to the bloody shores of Draculon, to post-apocalyptic New York and to worlds beyond imagination. Only Ravana knows what rewards and punishment await the winner and the loser in this duel of horror hostesses. written and drawn by Dawn creator Joseph Michael Linsner!

A BRIEF INTERVIEW WITH JOSEPH MICHAEL LINSNER!

DYNAMITE ENTERTAINMENT: DAWN / VAMPIRELLA marks the first-ever crossover for Dawn. What inspired you to bring these two characters together?

JOSEPH MICHAEL LINSNER: Nick Barrucci! Nick owns Vampirella and bringing them together was all his idea. I've known Nick for 25 years and have worked with him on many projects but never on a comic series. I've had offers to do crossovers before, but I turned them down because I wanted to keep Dawn's world closed and airtight. I've always loved Vampi and when this crossover came up, I instantly figured out a way to make it work. For me Dawn is coming full circle -- Vampi helped inspire Dawn's creation and now she's going to share a stage with her. I'm pretty excited.

DE: Both Dawn and Vampirella were "horror hostesses" -- lovely figures who ushered in comic tales in the anthology series CRY FOR DAWN and VAMPIRELLA MAGAZINE, respectively -- and evolved into so much more. Would you consider the concept of DAWN / VAMPIRELLA, where the characters engage in a bit of myth-making themselves, as harkening back to their inception?

JML: I wanted to do a story that embraced who these characters are and explore both their similiarities and differences. They started out as horror hostesses, introducing short stories, so doing a riff on the tale of Scherherzade (where a captured maiden has to tell stories to save her skin) seemed like a great starting point. I plan on weaving the stories they tell into the larger narrative in a way which will illuminate things from a different perspective. It should be a lush reading experience and very visually dynamic.

The X-Files' Joe Harris takes on The Prince of Darkness – Alice Cooper in his FIRST ongoing comic series! Rock n' roll legend Alice Cooper was never a stranger to the mystic and the macabre. His stage shows were the stuff of legend, featuring snakes and pyrotechnics and the invocation of dark themes and darker forces. But while he was a legend in the waking world, few knew his role as "The Lord of Nightmares" beyond it, where he watched over us while we dreamed, and delivered horrors unto the deserving. Only someone took it all away from him, cast him out of his realm and locked him away... until now. And if he's going to reclaim his dark throne, he's going to need all the help he can get!

A rift in Time brings the Doc Savage of today face-to-face with the Doc Savage of 1939! Even Einstein is not certain of the consequences! Just then, The Voodoo Master strikes, laying a death-trap for his nemesis, The Shadow, while another powerful evil force lurks in the darkness and poised to strike next. Meanwhile, wealthy industrialist Richard Henry Benson and his family are aboard a plane headed for Nepal to witness Doc Savage's latest scientific breakthrough, co-funded by Benson. But the airliner is instead destined for the very heart of tragedy. What are the secrets linking The Shadow and Doc Savage to the birth of The Avenger? What allows three men of mystery and power to shed their very different ideological shells and deal with each other on a deeper human level? In this tale, a shaky bond is forged among not just Doc Savage, The Shadow and The Avenger, but among "Clark, Kent and Richard." It's the revealing Chapter Two of six in the saga of "JUSTICE, INC."

Years before the rise of the Blood Queen, the king's father fought a great battle to protect the witches and the Daughters of the Line. When another kingdom makes a bid to exterminate the witch class, King Tibor stands against this monstrous cruelty. His defiance leads to open war, setting the stage for events that are unfolding monthly in the pages of THE BLOOD QUEEN. Watch as the lines are drawn, as magic and steel chose sides, and as the destinies of kingdoms are decided! But then, what about Elizabeth and The Elder? How did the woman that will become the Blood Queen come into the Elder's keeping? Witness the pivotal events that began Elizabeth's mission and set her on a dark road. It's all here in GHOSTS OF WAR, THE BLOOD QUEEN ANNUAL.

Ben Chambers is a private investigator at the end of his career, an arc best viewed through the bottom of a whiskey bottle. He has investigated missing persons, adulterous lovers, embezzling partners...and none of it has ever meant anything. None of it has ever changed anything. So Ben looks at his life now and wonders, what was it all for, really? He resignedly takes on one last case, investigating the unsolved murder of corporate CEO Jason Black's son, an Iraq veteran killed shortly after an anti-war rally. Ben expected that his investigation would take him into the past through photos and research and interviews. What he never expected was that the trip into earlier years would be literal...as he time travels back to the night of the murder, and discovers that he finally has his chance to make a difference, courtesy of The Twilight Zone.

Without the aid of his agents, The Shadow attends to a globetrotting solo-mission that takes him from the concrete canyons of New York City, to the snowy wastes of Siberia, to the peaks of the Himalayas, to the steaming jungles of Guatemala. The goal: to at last learn the secrets behind the girasol! Then, when The Shadow returns to Manhattan, he finds the authorities are baffled by a rash of unexplainable deaths in Chinatown. But when the recently deceased begin to rise from their graves and plague the living, it is clear they are out of their league. Thankfully The Shadow is on hand and ready to stand against the Zombie Queen of Chinatown!

DMC GN #1

(W) Darryl "DMC" McDaniels, Ron Wimberly, Damion Scott
(A) Shawn Crystal, Felipe Smith, Jeff Stokely, Khoi Pham
(CA) Sal Buscema

It's 1985 in New York City. Wildstyle graffiti covers subway cars as B-boys break and spin in playgrounds and on street corners. Koch is mayor. Drugs and crime rule the streets. A terrifying plague is brewing in the shadows. And as the populace loses faith in the police, a man named Bernard Goetz is being hailed as a hero for shooting four teenagers in a subway car. In *this* 1985, however, the city's brand new guardian angels wear spandex and capes, wielding their gadgets and their superpowers to clean up the City — even if their methods hurt more people than they help. There's the deluded "graffiti king" Mr. Marx patrolling the tunnels; the dark moral crusader The Puritan who stalks the shadows of the Lower East Side; and above it all, the godlike Helios, darling of the Upper East Side and the NYPD. It seems like only some of New York's residents are benefitting from these vigilantes' protection. The rest whisper the name of another hero: DMC. In *this* 1985, Darryl McDaniels (of Run DMC fame) never rocks the mic to become one of hip-hop's most enduring icons. Instead, he dons his tracksuit and Adidas sneakers to defend the city's marginalized citizens against super-villain and super-hero alike, leaving no traces besides the imprint of his knuckle rings on his opponents' faces. With the help of reporter Charlie Cooper and a band of graffiti artists led by the spunky Lak6, DMC must confront the new "heroes," and investigate whether there's anything behind their sudden appearance. DMC, the inaugural title from Darryl Makes Comics, imagines an alternate history that blends traditional comic book storytelling with the pressures and anxieties of 1980's NYC, and explores how we got to where we are now. DMC is a superhero for those who need one most. (STK649890) (C: 0-0-1)

KIM HARRISON'S HOLLOWS GN'S

(W) Kim Harrison (A/CA) Pedro Maia

Fans Of Kim Harrison's *Hollows* novels have asked for years what Rachel and Ivy's first experience as partners in the I.S. (Inderland Security) was like. The answer? Stormy! Assigned as an intern under Ivy's supervision, Rachel's got plenty to prove, while Ivy has to face that this very attractive — and frustratingly self-assured — young earth witch, controls powers that Ivy can't match. Ivy's got one big question as well. Did Piscary, her vampire master, set this partnership up? (STK443346)

Yashiro is the young leader of Shinseikai and the president of the Shinseikai Enterprise, but like so many powerful men, he leads a double life as a deviant and a masochist. Chikara Doumeki comes to work as a bodyguard for him and, although Yashiro had decided that he would never lay a hand on his own men, he finds there's something about Doumeki that he can't resist. Yashiro makes advances toward Doumeki, but Doumeki has mysterious reasons for denying. Yashiro, who abuses his power just to abuse himself, and Doumeki, who faithfully obeys his every command, begin the tumultuous affair of two men with songs in their hearts and no wings to fly.

BUMPERHEAD HC

(W/A/CA) Gilbert Hernandez

Love and Rockets cartoonist Gilbert Hernandez returns with *Bumperhead*, a companion book to *Marble Season*. Gilbert's new book follows Bobby, a young slacker who narrates his life as it happens but offers very little reflection on the events that transpire. Bobby lives in the moment exclusively, and is incapable of seeing the world outside of his experiences. He comes of age in the 1970s, making a rapid progression through that era's different subcultures; in a short period of time he segues from a stoner glam-rocker to a drunk rocker to a speed-freak punk. He drifts in and out of relationships with friends, both male and female. Life zooms past him. Hernandez's approach captures the numbness and raw undirected anger and passion of a young man; a young man who waits for life to happen to him, not noticing all the while that it's happening. THE HOSPITAL SUITE GN

Certified Cool

(W/A/CA) John Porcellino

The Hospital Suite is a landmark work by celebrated cartoonist and small-press legend John Porcellino, an autobiographical collection detailing his struggles with illness in the 1990s and 2000s. In 1997, John needed emergency surgery to remove a benign tumor from his small intestine. In the wake of the surgery, John had numerous health complications that led to a flare-up of his preexisting tendencies toward anxiety and obsessive-compulsive disorder. *The Hospital Suite* is Porcellino's response to these experiences, simply told stories drawn in an honest, heart-wrenching style. (W/A/CA) Jason Lutes

The people of Weimar Berlin search for answers after the lethal May Day demonstration of 1929. Tension builds along with the dividing wall between communists and nationalists, Jews and gentiles, as the dawn of the Second World War draws closer. The lives of the characters within Lutes's epic weave together to create a seamless portrait of this transitory city. Marthe Muller follows lover Kurt Severing as he interviews participants in the May Day demonstration, but moonlights in the city's lesbian nightlife. Lutes creates a sense of anxiety and imminent doom. (STK470903)

Great Pumpkin

WAITING FOR THE GREAT PUMPKIN

by Charles M. Schulz

$9.99 / HC / 64 pgs / FC / 5.5 X 5.5

Linus and his wait for the Great Pumpkin have been a pop culture touchstone for nearly 50 years thanks to the animated television special, and it all started in the classic Peanuts strips from 1959-1962 collected in this affordable, fun-sized gift book. Charles M. Schulz's homage to the power of idealism and belief makes these some of the most beloved comic strips of all time.

FANTAGRAPHICS BOOKS
MEGAHEX

MEGAHEX

by Simon Hanselmann

$29.99 / HC / 212 pgs / FC / 6 x 8.75

What at first glance reads like an episodic stoner comedy slowly reveals a chiseled character study of suburban ennui to rival the works of Solondz, Groening, or Flaubert. Hanselmann's characterization and visual creativity mines lifetimes of pathos from the slapstick simplicity of its psychedelic, absurdist premise. You will believe an Owl can cry. Collecting all of Hanselmann's classic Megg & Mogg webcomics plus over 70 pages of new material.

SPOTLIGHT ON

BUMF 1: "I BUGGERED THE KAISER"

by Joe Sacco

$14.99 / SC / 100 pgs / BW / 6.3 x 10.5

In the vein of underground comix like *ZAP* or *Weirdo*, author Joe Sacco returns to his underground roots. Though Sacco is world-famous for his serious, journalistic books like *Palestine*, *Safe Area Gorazde*, and *Footnotes in Gaza*, Bumf promises to echo back to his earlier days as a satirist and underground cartoonist.

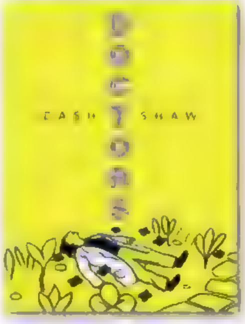
The Conscience of a Cartoonist

CONSCIENCE OF A CARTOONIST

by Jeff Danziger

$100.00 / HC / 608 pgs / B&W with 30 pages of color / 9.7 x 11.8

The Conscience of a Cartoonist collects the lauded editorial cartoonist's post 9/11 body of work. Danziger documents, via cartoons and extensive, educational commentary, the tragedy of that day and the politically disorganized response that followed. This coffee-table book is also his exegesis on the art of editorial cartooning.



DOCTORS

by Dash Shaw

$16.99 / SC / 96 pgs / SC / 6 x 8

This new graphic novel from acclaimed cartoonist Dash Shaw (*Bottomless Belly Button*, *BodyWorld*, *New School*) is his most taut book to date. *Doctors* focuses on death, bereavement and knowing when to let go. Part science-fiction thriller, part family drama, part morality play for the 21st century, and quite possibly Shaw's best book to date.

SOUL SWALLOWER GN

(W/A/CA) Joel Mercer

A Grecian myth tells how the souls of the unborn flutter through the air as butterflies and that if a woman were to swallow one she would bear a child. Psykhe (literally "soul"), the Greek Goddess of the Soul and wife of Eros, is often portrayed as having butterfly wings. Inspired by this symbolism *Soul Swallower* is the allegorical tale of a man's transformation when an ordinary journey takes a magical turn. Expressing the dilemma facing modern society as we negotiate our increasingly compex lives, this Graphic-Poem reminds us of a distant voice; a memory of an almost forgotten realm. Why climb Mount Everest? Englishman George Herbert Leigh Mallory said in reply, "Because it is there" in a March 1923 interview with *The New York Times*. On his third expedition to the mountain in June 1924, Mallory disappeared on the North-East ridge during his ascent, having been sighted only a few hundred yards from the summit. In 1993, Makoto Fukumachi, photographer for a Japanese expedition, stumbles across an old Kodak camera. Could it be Mallory's camera? (STK393875)

ABOVE THE DREAMLESS DEAD: WORLD WAR I IN POETRY AND COMICS HC

(W/A) Various

As the Great War dragged on and its catastrophic death toll mounted, a new artistic movement found its feet in the United Kingdom. The Trench Poets, as they came to be called, were soldier-poets dispatching their verse from the front lines. Trench Poetry soon became one of the most significant literary moments of its decade. In stark black and white, the words of the Trench Poets find dramatic expression and reinterpretation through the minds and pens of some of the greatest cartoonists working today. Twenty poems are interpreted in comics form by twenty of today's leading cartoonists. (STK648382) (C: 1-1-0) **NOTE:** Not available in the U.K. (May Purchase from U.K. Vendor)

LIGHTER THAN MY SHADOW GN

Soft Skull Press

STAFF picks

Comics, like all media, are primarily there to entertain but can at times inform and educate the reader. Katie Green's graphic novel *Lighter Than My Shadow* hit close to home and I had to read it. Reading about how Katie went from a finicky eater to the binging and purging to the realization she was anorexic reminded me how scared I was when a close friend was almost lost to the same compulsion.

With each page of the book the past was relived and I was right alongside Katie's journey to recovery and how hard my friend's journey has been. The line work evokes the ephemeral existence of Katie as she seems to fade away before family and friends. While family will try to do anything to save her, it has to be Katie's decision to survive, and it is her will to live that comes through in this story.

Katie's passion for drawing and storytelling makes this a unique blend of self-discovery and recovery using the graphic story medium. This book shows you what comics can do and do well particularly when it's a personal story.

Yato is a homeless god. He doesn't even have a shrine, not to mention worshippers! So to achieve his ambitious goals, he's set up a service to help those in need (for a small fee), hoping he'll eventually raise enough money to build himself the lavish temple of his dreams.
Of course, he can't afford to be picky, so Yato accepts all kinds of jobs, from finding lost kittens to helping a student overcome bullies at school.

"I don't think I often see a manga drawn this beautifully... Yato may not seem like a god in many respects, but I was won over by his depth of feeling for [others]."
- SakuhinDB.com

"Not only is the source material [the manga] great, but the studio working on [the anime] is firing on all cylinders as well."

DOMINO LADY: MONEY SHOT PROSE NOVEL

(W) Bobby Nash, Howard Hopkins
(A) Doug Klauba

Politics make strange bedfellows. A deadly ménage-a-trois of power, politics and money, threatens to bring 1930's Hollywood to its knees. An assassin is hired to kill an idealistic young DA running for governor, who happens to be Domino Lady's lover. A morally bankrupt movie star-turned ambitious politician, with mob ties and a temper, takes both of them on. Can Domino Lady keep her candidate safe or will she learn the hard way that politics can be murder? (STK649009)

(W/A/CA) Roy Thomas

Dick Briefer's *Frankenstein* for Prize Comics is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools — humor and horror — Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now, of course! Collects issues #11-15 (Jan/Feb to Sep/Oct 1948). (STK648199) (C: 0-1-1)

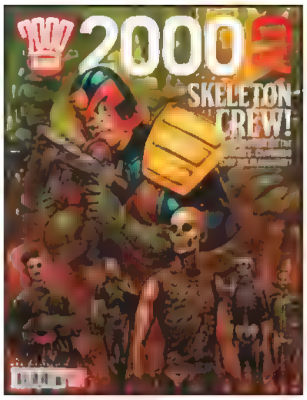
REBELLION / 2000AD



2000 AD SEPTEMBER 2014 PACK

Stunning sci-fi and fantasy from world's number one anthology title! Everything wraps up in Progs 1897-1899 — Black Shuck battles the might of the Troll King, by Leah Moore, John Reppion and Steve Yeowell; Wren and company get one step closer to the Key in *Brass Sun: Floating Worlds* by Ian Edginton and INJ Culbard; heads roll before the soul-taker Aquila in "Carnifex" by Gordon Rennie and Leigh Gallagher; hitmen Sinister Dexter have a cook-out with fellow killers in "Congo" by Dan Abnett and Jake Lynch; and Judge Dredd must stop one of his most fearsome foes in "Cascade" by Mike Carroll and Paul Marshall. Then in the landmark Prog 1900, a whole new line-up commences — London's Pope of Crime investigates a series of hideous murders in *Stickleback: The Thru'penny Opera* by Ian Edginton and D'Israeli; Gene the Hackman defends an outpost from Them in *Kingdom: Aux Drift* by Dan Abnett and Richard Elson; Pat Mills and John Higgins collaborate once more on a new Greysuit series "Prince of Darkness," as Secret Service agent John Blake is back under the control of his masters, but for how long? And Judge Dredd creators John Wagner and Carlos Ezquerra team up for a new case for the lawman, "Block Judge!" (STK648907)

THE MAN WHO LAUGHS GN
(W) Victor Hugo, David Hine
(A/CA) Mark Stafford
The Man Who Laughs (first published in 1869) is Victor Hugo's scathing indictment of the injustice and inequality within Britain's political system. It is the story of Gwynplaine, the 2-year-old heir to a rebel lord, who is abducted upon the orders of a vindictive monarch, and whose face is mutilated into a permanent grisly grin, then abandoned. After years of living in poverty, Gwynplaine is reintroduced to the aristocratic life and resolves to become the voice of the voiceless-whether he is heard or not. Author David Hine and artist Mark Stafford introduce Hugo's classic to a new generation of fans in this graphic-novel adaptation of abduction, mutilation, loss, and prejudice. (STK648568) (C: 1-0-0)

RICKY ROUSE HAS A GUN GN
(W) Jorg Tittel (A/CA) John Aggs
Rick Rouse is a US Army deserter who, after running away to China, gets a job at Fengxian Amusement Park-a family destination heavily "inspired" by Western culture, featuring Rambi (the deer with a red headband), Ratman (the caped crusader with a rat's tail), Bumbo (small ears and a big behind), and dozens of other original characters. The park's general manager is convinced that Rick was destined to greet Fengxian customers, dressed as none other than Ricky Rouse. This original graphic novel is a relentless action comedy, a satire of US-China relations, a parody of Western entertainment, and a look at China, a culture ripe with innovation and a unique, courageous spirit. Europe. World War II. Witness the rise and fall of the European super-heroes! The year is 1938, and a new generation of superhumans, born as a side effect of secret chemical weapons, have taken control of the capital cities of Europe. Some fight against injustice, others spread terror. Above the law, above human authority, these strange metahumans capture the imagination of the public, even as they baffle scientists with their impossible powers. But a new, more powerful threat is looming, one that could yet erase them from existence and shift the balance of power. (STK648629)

THE ZOMBIE SURVIVAL GUIDE: RECORDED ATTACKS GN

(W) Max Brooks (A) Ibraim Roberson

Man has battled the undead for millenia. Best-selling author Max Brooks provides the lessons that history has taught us about zombie outbreaks, gruesomely illustrated in graphic novel form. From our descendants on the African savannahs to the legions of ancient Rome, from the voyages of Francis Drake to the ill-advised experiments of the Soviet army, *The Zombie Survival Guide: Recorded Attacks* hauntingly reminds us how close the living dead have come to destroying humanity. DOCTOR WHO: THE TWELFTH DOCTOR #1

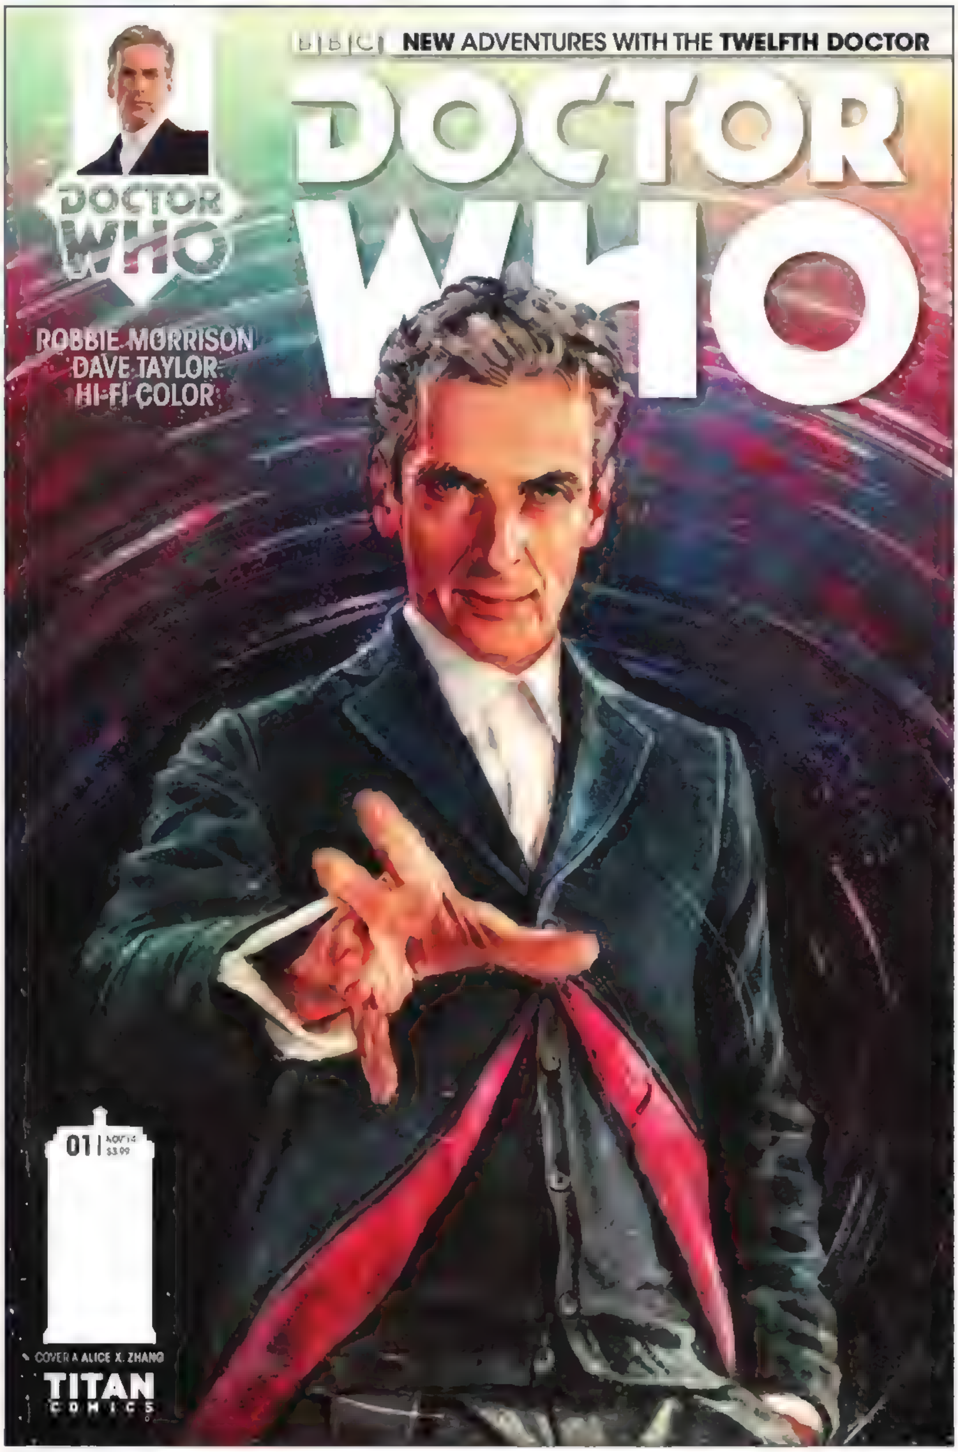
Writer: Robbie Morrison - Artist: Dave Taylor
32pp – FC – $3.99 On sale: 10/01/14



COVER A – ALICE X. ZHANG

DON'T MISS THE STUNNING DEBUT OF THE TWELFTH DOCTOR'S ALL-NEW COMICS ADVENTURES!

- **REGULAR COVER BY ALICE X. ZHANG!**
- **From award-winning writer Robbie Morrison *(Drowntown, 2000AD, Nikolai Dante)* and *New York Times*-bestselling artist Dave Taylor *(Batman: Death by Design, 2000AD)*!**

ROBBIE MORRISON

The writer on the *The Twelfth Doctor* shares his insights!

How does it feel to be writing the first adventures for an all-new incarnation of the Doctor? To borrow the previous Doctor's catch-phrase: 'Geronimo!' As far as I'm concerned, the Doctor, along with the likes of Sherlock Holmes and James Bond, is one of the iconic British fictional characters. It's a pleasure and a privilege to be part of it.

What's your 'mission statement' for the new Doctor? To take the readers on a series of breathtaking, mind-boggling adventures in time and space. To capture all the thrills, chills, humor and sheer wonderment of the TV series, while taking full advantage of all the storytelling possibilities the comics medium has to offer. And to throw in as many 'hide-behind-the-sofa' moments of terror and heart-stopping cliffhangers as possible.

Will this be a good jumping-on point for fans/curious readers? It's the first issue of a brand new comic-book series starring the latest incarnation of the Doctor, whose TV adventures will only just have started when the comic hits the stands. Apart from the first episode of the new TV series, I'd like to think there isn't a better jumping-on point in all of time and space – whether you're a die-hard fan or a new reader!

Your first issue on the Tenth Doctor series also comes out this month - what can you tell us about that story? Well, the fantastic covers you can see over the page, and the title - 'The Weeping Angels of Mons' - probably drop more than a few hints as to what the story's about. In short, the Tenth Doctor and new companion Gabby Gonzalez encounter the Weeping Angels on the battlefields of World War One, where they're stealing the lives and youths of soldiers as relentlessly and remorselessly as the war itself! ■

They've offered me the use of one of their mechanoids. At first glance it seems to be an armored suit with high-performance kinetic amplifiers. I'd like to examine it more closely, but the women around me, with their hard stares, avoid my questions.

Alice Obiefune always wanted to see a space station, one of those proper ones, like on television, with impressive bulkheads, sweeping corridors, and stunning views of eternity. Maybe with an exotic matter wormhole nearby, if it's not too much trouble. Aliens optional, but a bonus as long as they're friendly. That's just one of the reasons Alice and the Doctor have come to a remote space research facility. Tracking the temporal trail of the slippery SERVEYOUinc corporation, has the Doctor found more than he bargained for? And will this entity from between the stars be the death of them all? When Gabby and the Doctor arrive by accident in No Man's Land in July, 1916, they're met by Corporal Jamie Colqhoun, a soldier who knows from bitter experience that there are worse things than the Jerries out in the rat-strewn trenches. Things that drift through the smoke of a thousand cannon shells, and move only when you look away. Shadows that flit over artillery-blasted field hospitals and throw their terrifying wings over the living. Statues that steal your life in an instant. The Weeping Angels. But in a conflict where the life of young men is cheap and thousands die every day, are the Angels actually offering salvation? Trapped in the midst of a flock of starving Angels, the Doctor faces his most challenging and terrifying moral dilemma yet! The 1970s witnessed many changes at Marvel Comics and saw Stan Lee's role as writer diminish as he ascended to Publisher, the departure of Jack Kirby to DC, the rise of Roy Thomas as editor, and the introduction of a new wave of writers and artists who would expand the boundaries of comics beyond super-heroes. Comics such as the *Spider-Man* "drug" issues, *Conan the Barbarian*, *Tomb of Dracula*, *Master of Kung Fu*, *Howard the Duck*, the new *X-Men*, and more are covered in detail, along with the creators who wrote and drew them. BUMPERHEAD AND MARBLE SEASON GNS

Drawn & Quarterly

As one can expect from a creator who lived during the underground comix movement and helped redefine the comics industry of the 1980s, when you pick up a Gilbert Hernandez book, behind the clean-lined, lighthearted black-and-white illustrations you are always going to encounter a story that is so raw, uninhibited, and powerful—a story that through its almost imperceptible subtlety page after page builds into a contemplative narrative that you walk away from knowing that you just read something worth reading, worth remembering, and worth returning to.

It is for these reasons, along with the fact that Gilbert Hernandez's books are just and immense pleasure to read, that Drawn & Quarterly's *Marble Season* and the new and complementary title *Bumperhead* are both necessary additions to any Hernandez Brothers fan's collection. But more so than the fact that these books are wonderful accompaniments to your copies of *Love and Rockets* and *Luba*, as fantastic graphic narratives in and of themselves both titles really belong in any comic reader's library.

The truly masterful quality of Gilbert Hernandez's own works is that he has the wonderful ability to take something as simple as two young boys growing up in suburban California in the 1960s and 1970s and morphing their experiences into thought-provoking stories of the trials and tribulations of adolescence as they move through a time of counterculture and huge social change. This is a story that we have seen time and time again, but what makes Gilbert's so unique and special is that it is approachable. The reader is neither overwhelmed by the harsh realities of life nor burdened by the facts of the past, but is rather subtly encouraged to engage with the stories and the characters on a personal and emotional level.

Both of these books being semi-autobiographical they possess a delicate personal touch of Gilbert's own experiences that the reader cannot help but resonate with. Although both books have that sharp edge we have come to know and love from underground comix, it is the rare infusion of subtle emotion and relatability that make both of these titles immensely pleasurable to read and what I personally believe to be necessary additions to any comics fan's library.

SERENITY: LEAVES ON THE WIND TP

Dark Horse Comics

I jumped onto the *Firefly* bandwagon late after discovering the series on Netflix but it only took a few episodes to convert me into a fan. I was shocked to see that such a good show with memorable characters and such a vibrant fan base has only received just 1 season and a movie. Then the November ***PREVIEWS*** happened and *Serenity: Leaves on the Wind* #1 was solicited! After a lot of waiting and disappointment I would finally be able to see what happened to my favorite characters from the show. The new series, set just a few months after the events of the movie *Serenity*, has the galaxy tumbling back to a new civil war after it is discovered that the Alliance is responsible for creating a vicious group of cannibals called the Reavers and then leaving them alone so that they can sate their hunger for human flesh on any poor ship that falls into their clutches.

Written by Zack Whedon and with gorgeous art by Georges Jeanty (*Buffy*) this collection treats the source material with respect and brings our favorite characters back for a much appreciated new adventure.

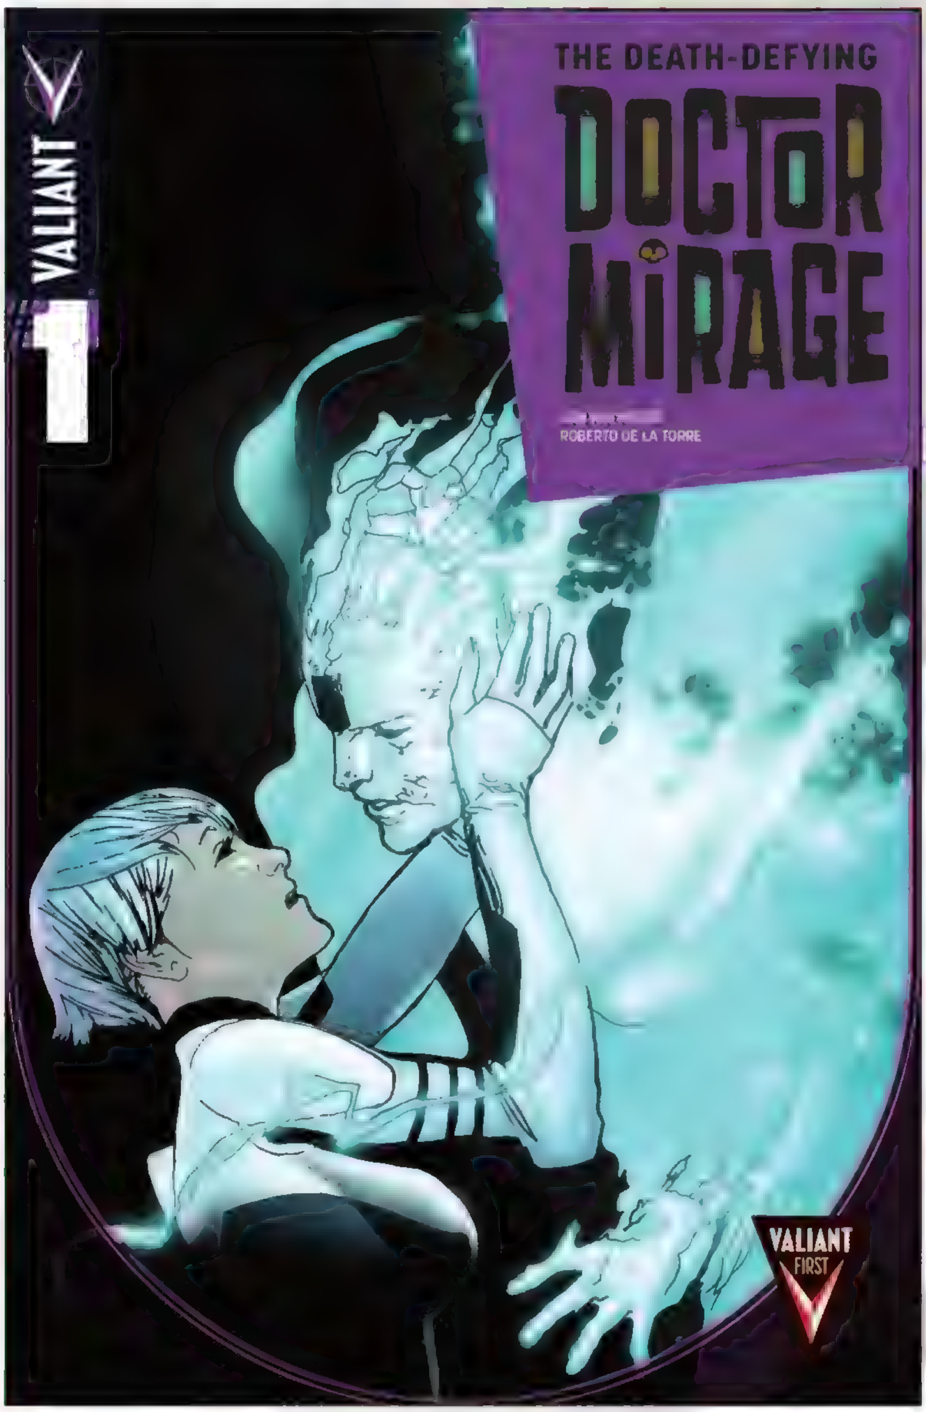
THE DEATH-DEFYING DOCTOR MIRAGE #1 (of 5)



DEATH WAS JUST THE BEGINNING...

AN ASTONISHING JOURNEY INTO THE UNKNOWN FROM ACCLAIMED CREATORS **JEN VAN METER** (*CAPTAIN MARVEL*) & **ROBERTO DE LA TORRE** (*DAREDEVIL*)!

Doctor Mirage talks to the dead...but the only spirit Shan Fong can't find is that of her late husband, Hwen. Instead, America's favorite semi-retired paranormal investigator is haunted and raw, using her gift to solve homicides and bring peace to the recently bereaved. But when a big-time occultist with a classified military past hires her for a special job, Shan discovers a lead that might close the greatest mystery she's ever tackled - how to get Hwen back. Now, Doctor Mirage must enter the undiscovered country and cross all the realms of the underworld, if she has any hope of rescuing the man she loves...or be forever lost beyond the earthly plane.

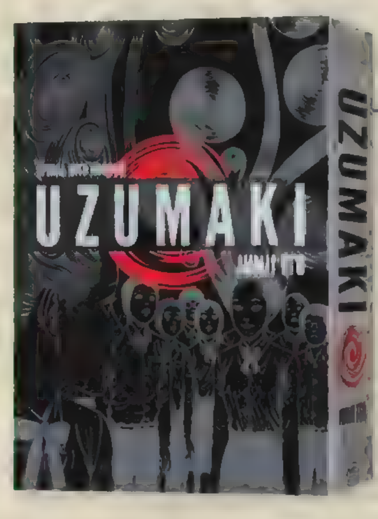
HORROR SPOTLIGHT



Uzumaki Deluxe Edition Hardcover

by Junji Ito

Kurouzu-cho, a small fogbound town on the coast of Japan, is cursed. According to Shuichi Saito, the withdrawn boyfriend of teenager Kirie Goshima, their town is haunted not by a person or being but by a pattern: uzumaki, the spiral, the hypnotic secret shape of the world. It manifests itself in everything from seashells and whirlpools in water to the spiral marks on people's bodies, the insane obsessions of Shuichi's father and the voice from the cochlea in our inner ear. As the madness spreads, the inhabitants of Kurouzu-cho are pulled ever deeper into a whirlpool from which there is no return!

ACCEL WORLD VOLUME 1 GN

(W) Reki Kawahara
(A/CA) Hiroyuki Aigamo

From bullied to Burst Linker, one boy grasps his true destiny in this manga adaptation of the mega-popular and award-winning futuristic series! No matter how much the times change, bullied kids aren't going anywhere. And overweight junior high school student Haruyuki is one of them. One day, Haruyuki encounters Kuroyukihime, the most beautiful and elegant girl at school, who gives him a mysterious program: "Brain Burst" — and the secret of the "Accelerated World." He may be at the bottom of the food chain at school, but Haruyuki and his destiny begin to "accelerate" with incredible speed in the virtual realm as he aims for the top! BLOODY CROSS VOLUME 4 GN

(W/A/CA) Shiwo Komeyama

Demons and angels collide with a curse in this gothic fantasy that strikes to the core of manga fandom! Tsukimiya has fallen directly into the hands of Arcana and Satsuki, but her enemies seem more interested in the mark she bears than in the half-blood herself. But what is Hinata interested in? The intentions of Tsukimiya's former, albeit temporary, ally seem to oscillate between altruistic and self-serving as the would-be gods plot to use her as a living sacrifice! Betrayed, bloodied, and left for dead, Tsukimiya resolves to seek the truth of the curse on her own terms — and by any means necessary. With his carthorse as his only companion, the young merchant Kraft Lawrence slowly wends his way through dusty back roads in search of profitable trade. But this monotony screeches to a halt when, one night, he encounters a harvest goddess in the guise of a beautiful young girl with wolf ears and a tail! Longing for the northern lands of her birth, Holo the Wisewolf joins Lawrence as he follows the ebb and flow of trade through the countryside. This manga adaptation of Isuna Hasekura's acclaimed *Spice and Wolf* novel series is an investment that promises the greatest of entertainment returns! FUTURE PROOF #1

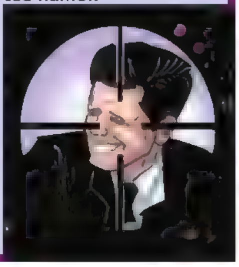
Bliss on Tap

What if your job was to ensure that events in the past took place to secure the state of future? The date is November 22, 1963 on a grassy knoll in Dallas Texas and special agents from out of time James Rison and Simon Magus's have one mission: to make sure President John F. Kennedy is assassinated. Welcome to the first exciting issue of Bliss on Tap's newest science fiction series *Future Proof!*

As any fan of conspiracy theories, hard science, and even time-travel knows, in fiction it is no easy task to not only tackle some of history's most unbelievable events but to also create a story that is approachable and entertaining. Fear not, readers -- the creative team behind *Future Proof* has done all this as well as interweave a bit of lighthearted humor.



The characters are fun, there is a fantastic balance of "fact" to fiction, and the *Future Proof* creative team does a wonderful job of creating a new and original take on some of our most infamous conspiratorial events. Having read the first two issues, I can say without a doubt that this is a comic series you will not want to pass up!

ESSAYS ON THE CHILDREN OF THE ATOM IN CHANGING TIMES
Edited by JOSEPH J. DAROWSKI

THE AGES OF THE X-MEN: ESSAYS ON THE CHILDREN OF THE ATOM IN CHANGING TIMES SC

(W) Joseph J. Darowski

With storylines that often contain overt social messages within its "mutant metaphor," *X-Men* is often credited with having more depth than the average superhero property. In this collection, each essay examines a specific era of the X-Men franchise in relationship to contemporary social concerns. The essays range from an analysis of popular science at the time of the first *X-Men* comic book in 1963 to an interpretation of a storyline in light of rhetoric of President Obama's first presidential campaign. TASCHEN: 75 YEARS OF MARVEL COMICS HC

(W) Roy Thomas
(A) Various
From the very first issue of pulp impresario Martin Goodman's *Marvel Comics* in 1939, Marvel created a mythological universe grounded in a world that readers recognize as close to their own, brimming with humor and heartache. In the early 1960s, this audacious approach launched the creation of heroes who have since become household names — Spider-Man, The Incredible Hulk, the Fantastic Four, Iron Man, the Avengers, Thor, the X-Men, the list goes on. In celebration of Marvel's 75th anniversary, TASCHEN presents a *magnum opus* of the most influential comic book publisher today, with an inside look not only at its celebrated characters, but also at the "bullpen" of architects whose names are almost as familiar as the protagonists they brought to life — Stan "the Man" Lee, Jack "King" Kirby, along with a roster of greats like Steve Ditko, John Romita, John Buscema, Marie Severin, and countless others. With essays by comics historian and former Marvel editor-in-chief Roy Thomas, this book delves into the heart of thousands of costumed characters who continue to fight the good fight in comics, movies, and toy aisles of the world. O/A HORROR COMICS IN BLACK AND WHITE: A HISTORY AND CATALOG, 1964-2004 SC

(W) Stephen R. Bissette, Richard J. Arndt
In 1954, the comic book industry instituted the Comics Code, a set of self-regulatory guidelines that effectively banned genuine horror coimcs. Because the Code applied only to color comics, many artists and writers turned to black and white to circumvent the Code's confines. With the 1964 publication of *Creepy* #1 by Warren Publishing, black-and-white horror comics experienced a revival that continued into the early 21st century. This work offers a comprehensive history and retrospective of the black-and-white horror coimcs that flourished on the newsstands from 1964 to 2004. (STK516248) (C: 0-1-2)

THE HORROR! THE HORROR! COMIC BOOKS THE GOVERNMENT DIDN'T WANT YOU TO READ

(W) R. L. Stine & Various (A) Various
The Horror! The Horror! uncovers a rare treasury of some of the most important and neglected stories in American literature — the pre-Code horror comics of the 1950s. These outrageous comic book images, censored by Congress in an infamous televised U.S. Senate subcommittee investigating juvenile delinquency in 1954, have rarely been seen since they were first published. Jim Trombetta provides a detailed history and context for these stories and their creators, spinning a tale of horror and government censorship. (STK424999)

WALT BEFORE MICKEY: DISNEY'S EARLY YEARS 1919-1928 SC

(W) Timothy S. Susannin

For ten years before the creation of Mickey Mouse, Walt Disney struggled with, failed at, and eventually mastered the art and business of animation. Most biographies of his career begin in 1928 when "Steamboat Willie" was released. But "Steamboat Willie" was neither Disney's first cartoon nor Mickey Mouse's first appearance. Timothy S. Susanin paints the until-now unknown portrait of the artist from age seventeen to the cusp of worldwide renown. (STK648579)

(W) Neil Gaiman (A/CA) Dave McKean

Winner of the 2009 Hugo Award for Best Novel!

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy — an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack who has already killed Bod's family. (STK374329)

NEIL GAIMAN: HANSEL & GRETEL HC

(W) Neil Gaiman (A/CA) Lorenzo Mattotti

This all happened a long time ago, in your grandmother's time, or in her grandfather's. A long time ago. Back then, we all lived on the edge of the great forest. Neil Gaiman and Lorenzo Mattotti both remember the horror and fascination with which they read the Grimm Brothers' "Hansel and Gretel." The writer and the artist now join forces for a brilliant reimagining of one of humanity's most enduring tales. Be brave, be bold, and keep your wits about you — Gaiman and Mattotti are welcoming you into the woods. STAR WARS

A NEW DAWN: STAR WARS HC

(W) John Jackson Miller

It's an all-new *Star Wars* galaxy going forward, and to kick off this exciting new era of storytelling Del Rey publishes the very first novel set in the years leading up to the original *Star Wars* movie! The stage is set for the coming Rebellion against the Empire: Kanan is a Jedi survivor of Order 66. Refusing to wield his lightsaber ever again, he makes a living as a freelance pilot, keeping his head down to avoid any Imperial attention. But when the beautiful Hera Syndulla sweeps into his life at the same time his friends and his livelihood are being threatened by an Imperial plot, he faces the biggest choice of his life: keep hiding — or or make a stand and risk the wrath of the Empire. With a foreword by Dave Filoni, executive producer of *Star Wars: The Clone Wars* and *Star Wars: Rebels!* *(STK648164)* (C: 1-0-0) **NOTE:** Available only within the United States and U.S. Territories.

I AM ALBERT EINSTEIN HC

(W) Brad Meltzer (A/CA) Chris Eliopoulos

Never stop dreaming is the message of this fourth picture book in the lively, collectible biography series. Brad Meltzer, *New York Times* bestselling author, is on a mission to give kids the right role models. His engaging picture book series, playfully illustrated by comic book artist Christopher Eliopoulos, shares the stories of heroes in a way that will inspire every reader to strive for greatness. Such as the tale of Albert Einstein, who struggled in school and was called a foolish dreamer by one of his teachers, but whose dreaming led to a theory of relativity that showed us a whole new view of our universe. LIFE OF ZARF BOOK 1: THE TROUBLE WITH WEASELS HC

(W/A/CA) Rob Harrell

Wimpy Kid meets *Shrek* in this hilarious new series about a troll trying to get by in middle school. It's not easy being Zarf. As a troll, he's stuck at the bottom of the middle school hierarchy, way below the prince and knights (populars), ogres and giants (jocks), and even the lowly minstrels (band geeks). Then when the king disappears and Zarf's archenemy, the prince, ascends the throne, he makes Zarf's life even more miserable. And so it is that Zarf and his two sidekicks (a neurotic, mutton-obsessed pig and unfunny court jester heir) set out to find the missing king as well as their way to middle school heroism. Okay, at least there's a chance they might find the king. (STK648338)

CINEFEX #139

This issue's cover feature is *Edge of Tomorrow*, director Doug Liman's futuristic war film, based on the novel by Hiroshi Sakurazaka, and starring Tom Cruise as a slick public relations spokesman for the military, who is suddenly thrown onto the frontlines of an existential battle with alien creatures, and finds himself reliving the same day over and over again, and always ending with his death! Other films profiled in this issue include: Dawn of the Planet of the Apes, *Jupiter Ascending*, and *Marvel's Guardians of the Galaxy*. (STK649510) (Cinefex) (C: 0-1-1)

CINEMA RETRO #30

Cinema Retro closes out 2014 with its 30th issue and celebrates 10 years in print with a packed publication featuring all genres of cinema: War, Western, Sword & Sandal, Music, Horror, and Adventure! Our exclusive interview this issue is with the legendary cinematographer Oswald Morris, who passed away earlier this year. This was his last-ever interview. Films covered, include the fantasy adventure *Warlords of Atlantis*, Susan George starrer *Fright*, John Wayne Western *El Dorado*, World War II actioner *Hell Boats*, and a 50th anniversary tribute to The Beatles' *A Hard Day's Night*. All of this, plus a special 8-pager on those wonderful Italian 'Sword & Sandal' epics of the '60s, and overview of the career of Francois Dorleac, and Gerry Anderson at Pinewood Studios. All in all, a great close to a great year of *Cinema Retro* reading! (STK649553) (Solo Publishing) (C: 0-1-2)

BATMAN: KELLEY JONES GALLERY EDITION

Graphitti Designs' proudly launches the Dark Knight in a new large-format with the *Batman: Kelley Jones Gallery Edition*. This will not only be the first Batman title ever in this format, but this title will also be the premiere release in Graphitti Designs' Gallery Edition program. BATMAN featuring art by Kelley Jones, is the first in a series of deluxe, hardcover books produced by Graphitti Designs, that faithfully reproduces the original art from select, key DC Comics. This volume contains the covers and interior pages from BATMAN #515 through #525... minus the interior of issue #520, that features stories written by Doug Moench, with inks by John Beatty.

This book can be ordered in the DC Comics section of the order form. Additional information can be found in the DC Comics pages in this month's PREVIEWS.

B-KAWZ 11-INCH VINYL FIGURE

From Necessaries Toy Foundation. B-KAWZ there isn't enough s#!t at Comicon already. B-KAWZ you are not a very discerning toy collector. B-KAWZ absolutely everyone bastardizes everyone else. B-KAWZ art imitating art is still art, geddit? Call it what you will, is it a blatant rip-off or a noble tribute? We at Necessaries Toy Foundation consider it a homage to two successful and very respected artists. It is also commentary and parody. Is it an original idea? We think it is, but only in an esoteric sense. In fact, it is a very original idea if you are a lateral thinker.

Appropriator? Perpetrator? Instigator? It is what it is, and I yam what I yam. B-KAWZ is a metaphor du jour. Merely this and nothing more. (STK649337) Scheduled to ship in August 2014. (6856/NTF20005) (C: 0-1-1)

FEATURED ITEM

FIREFLY: MALCOLM REYNOLDS 1/6-SCALE ACTION FIGURE

QMx is excited to bring you the first screen-accurate, realistic, 1:6 scale, articulated collectible figure of Malcolm Reynolds, the always resourceful captain of the *Firefly*-class transport *Serenity*. No effort was spared in the creation of this peerless replica of Captain Reynolds. Standing 12" tall, every detail — from Mal's pistol to his suspenders — was taken directly from QMx's extensive library of screen-used costume and prop reference. This attention to detail is topped off by one of the most realistic renderings of actor Nathan Fillion ever done, created by world-renowned likeness sculptor, Trevor Grove. From broad strokes to fine details, this wonderfully crafted collectible figure captures the unshakable character and spirit of Malcolm Reynolds. Your *Firefly* 1:6 scale figure collection begins here! (STK649276) Scheduled to ship in September 2014. (7814/FFY0202) (C: 0-1-2)

HALO 2014 ACTION FIGURES

Ten years ago, *Halo 2* made its debut on the original Xbox and changed multiplayer gaming on consoles forever. To commemorate the game's 10th-anniversary, McFarlane Toys is offering two new figures of the Master Chief, one based on his *Halo 2* look, the other updated to his latest look. The *Halo 2 Master Chief* figure captures all the details of this first version of his Mark VI armor, from the five indentations on his hand and ankle armor to the smooth, undamaged plating on his chest. The new *Master Chief* figure, based on his latest look, includes his removable multi-layers, wind-swept cloak, the perfect accessory for keeping the harsh, glittering desert sands out of his armor. The Master Chief's helmet also features a cracked visor. (STK649679) Scheduled to ship in October 2014. ED "BIG DADDY" ROTH RAT FINK & 1/25-SCALE DIORAMA MODEL KIT
Ed "Big Daddy" Roth was a larger than life spokesman for Revell in the 1960s. He made wild show rods that later became some of Revell's most famous models. In addition to these show rods, Roth also created famous characters such as the Rat Fink, a degenerate reprobate loved by hot-rodders, bikers, and rebellious teens everywhere for decades. This model kit features a Rat Fink model with a lifelike 1/25-scale garage diorama just like the one Roth started in. Figure is larger than 1/25-scale and measures 7 1/2" in height. Kit contains 9 parts. Paint and glue required. (STK648599) Scheduled to ship in September 2014. (7170/856732) (C: 0-1-1)

O/A EFX STAR WARS STORMTROOPER HELMET PROP REPLICA

Fearless and unswervingly loyal to the Emperor, the Stormtroopers are the most recognized symbol of Imperial might. Encased in white armor over a black bodyglove, the Stormtroopers make up the bulk of Palpatine's ground-based armies and the space-based Imperial starfleet. The distinctive design of the Stormtrooper was originally created by concept artist Ralph McQuarrie in 1975. McQuarrie designed several versions of the look of the Empire's general infantry. To ensure that your eFX Stormtrooper helmet retained all of the subtle nuances of the hand-sculpted original, eFX's engineers digitally scanned and cast a surviving original helmet to recreate this iconic piece of *Star Wars* history. Based on the original helmet from the Lucasfilm archives, this replica features quality ABS construction and comes with a Certificate of Authenticity. FINAL FANTASY VARIANT PLAY ARTS KAI: DRAGOON (LIMITED COLOR VERSION)

From Square Enix. The Dragoon is one of the most iconic roles in the *Final Fantasy* series, appearing in numerous titles within the franchise. Now we bring you a Dragoon with a brand-new look, re-imagined in the style of our Variant action figure line! His inner suit is embellished with the texture of a dragon's scales, and his outer armor has a smooth and streamlined design. Wielding his spear with ease, the Dragoon's muscles are structured to have the resilience and movement befitting a knight who soars through the air like a dragon. With the beautiful contrast of the outer armor's metallic sheen and the matte paintwork of the inner suit, this figure is sure to move the heart of collectors. This special limited edition of our Dragoon Play Arts KAI has a unique color variant reminiscent of the heroes of some of our earliest and most beloved *Final Fantasy* titles! Figure includes accessory parts such as lance, sword, sheath, clawed sheath clasp, exchangeable hands and figure display stand. (STK649759) Scheduled to ship in October 2014. TIME OF LEGENDS
THE DOOM OF DRAGONBACK
GAV THORPE

WARHAMMER 40K: FALSE GODS MMPB (NEW EDITION)

(W) Graham McNeill
Far from Terra, the XVIth Legion continue in the Great Crusade as the Sons of Horus. Putting the debacle with the interex behind him, the Warmaster has become more withdrawn as he struggles to deal with the jealousy of his brother primarchs, and increasingly relies upon the council of his advisors as he plans each new campaign. Noble captain Garviel Loken harbors misgivings about the clandestine ways adopted by many of his brethren, but when then Legion is sent to reconquer the moon of Davin, it is clear that Horus has a personal stake in the matter which may have clouded his judgment. With dark forces rising against them, have the primarch and his warriors been drawn into a trap? (STK649751) (C: 0-1-2)
SC, 5x7, 416pgs, B&W.................$9.99

WARHAMMER: DOOM OF DRAGONBACK SC

(W) Gav Thorpe
War with the elves has ended in bloody stalemate, great quakes have broken the peaks, and the enemies of the dwarfs are rising in vast numbers. Far removed from this grief, however, are the dwarfs of Ekrund, great underground city of the Dragonback Mountains, convinced that no foe will ever breach their walls. Among them, the Angbok clan continues to mine their gold, until war threatens Dragonback and decisions must be made that could change their way of life forever. Whether by exile or extinction, a great doom is coming! (STK649753) (C: 0-1-2)
SC, 5x7, 416pgs, B&W...............$14.00

WARHAMMER: GOTREK & FELIX: KINSLAYER HC

Once heroes and companions on the greatest of adventures, Gotrek Gurnisson and Felix Jaeger have long since gone their separate ways. Felix, married and working for the family business in Altdorf, embarks on a journey north to Kislev when he hears that an old comrade has been captured by the forces of Chaos. Reunited with Gotrek, and other old friends, Felix begins to suspect that he has embarked upon his final adventure. And in the cold north, Gotrek's doom awaits him. (STK649750) (C: 0-1-2)

ANDROID NETRUNNER LCG: UP AND OVER DATA PACK

Up and Over is the fourth Data Pack in the *Lunar Cycle* for *Android: Netrunner.* A search for the mysterious "source code" leads the game's Runners to the shadiest edges of Heinlein, the moon's only established city. The sixty cards in *Up and Over* (three copies each of twenty different cards) explore the city's Docklands, where even coordinated corporate crackdowns won't necessarily ferret out every black marketeer willing to provide Runners with a steady supply of illicit technology. In this new environment, to survive you must adapt. (STK649761) (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

Your favorite characters are back to save the galaxy in *LEGO Star Wars: The Empire Strikes Out!* The heroes of the Rebel Alliance — including heroic Luke Skywalker, swaggering Han Solo and steadfast Princess Leia — have no time to celebrate their victory over the Empire as a new Imperial threat arises! But as Jedi-in-training Luke embarks on this next mission, he discovers that his celebrity status as a "Death-Star-Blower-Upper" can be a double-edged lightsaber when he's constantly mobbed by crazed fans. So much for "secret" missions! Meanwhile, Darth Vader and Darth Maul are locked in a hilarious "Sith-ling" rivalry as they compete for the Emperor's approval. It's an action-packed comic adventure that's out of this world! (STK649000) (C: 0-1-1)

From the New World

HAL THE MOVIE

HAL

From FUNimation. The new feature animated film from Wit Studio! From the studio behind *Attack on Titan* comes the directorial debut of a bold, new voice in the world of anime. Kurumi's heart was broken by the sudden death of her boyfriend in a tragic airplane accident. Forced to carry on without her beloved Hal, she fell into a reclusive and joyless existence. Kurumi had given up on the world, but a brilliant scientist devised a plan to win her back. By melding futuristic technology with the binary equivalent of human emotion, they created an ultra-lifelike robotic surrogate to take Hal's place – and lure Kurumi from her shroud of solitude. Resistant at first, this shattered beauty slowly yielded to her feelings of longing – and took comfort in the company of a robot. Though their unique bond grew stronger with each passing day, Kurumi and Hal would soon discover that nothing about their artificial love story was quite as it seemed. (STK648940) (C: 0-1-1)

SHORT PEACE

From Sentai Filmworks. In 1995, Katsuhiro Otomo's epic anthology *Memories* showcased the work of upcoming superstars of the anime world. Now, Otomo's spotlight shifts to a fresh generation of master creators with an all-new anthology of visionary films: A lone traveler is confronted by unusual spirits in an abandoned shrine in the 2013 Academy Award-nominated *Possessions (Tsukumo)*, directed by Shuhei Morita. A mysterious white bear defends the royal family from the predations of a red demon in the brutal *Gambo*, directed by Hiroaki Ando with character designs by Yoshiyuki Sadamoto. The focus shifts from supernatural to science fiction for the action packed *A Farewell to Weapons* as *Gundam* designer Hajime Katoki helms Otomo's tour-de-force saga of men battling robotic tanks in apocalyptic Tokyo, while grandmaster Otomo himself assumes the directorial reigns for a spectacular tale of love, honor and firefighting in ancient Japan with the multi-award winning *Combustible*. TRIAD (2012)

From Well Go USA. The 90's were the glory days for the Hong Kong Triads, an underground order that has stood the test of time, stemming from an offshoot of the Shaolin monks that fought as a resistance to overturn the government during the turn of the century. These gangs ruled the Hong Kong night for decades, through controlling prostitution, drug trades and illegal gambling. It was during the 90's when their lifestyle came under threat as the Hong Kong handover to China drew near. This is the story based on real events of a college graduate who chose a life of crime over a future of boundless potential to push the Triads through the tough times during the 90's into the new millennium. THE COMPLETE BLIND DEAD SAGA

From Blue Underground. The Holy Grail of Cult/Horror/Zombie films, together in one most-own collection! *Tombs of the Blind Dead*: In 1971, director Amandode Ossorio created what horror fans worldwide consider to be Spain's *Night of the Living Dead*. The Knights Templar — executed horsemen whose eyes had been pecked out by crows — rise rotting from their graves, hunting only by sound in a quest for human flesh. *Return of the Evil Dead*: On the 500th anniversary of their execution, the blind horsemen rise from their tombs to wreak bloody revenge on the town that condemned them *The Ghost Galleon:* A boatload of stranded swimsuit models discover a phantom galleon that carries the coffins of the satanic Templar. Will they escape the insatiable hunger of the Blind Dead? *Night of the Seagulls*: The saga ends with the creepy tale of a remote coastal town where frightened villagers must sacrifice beautiful virgins to the blood cult of the Knights Templar. SCANNERS (CRITERION COLLECTION)

From the Criterion Collection. With *Scanners*, David Cronenberg plunges us into one of his most terrifying and thrilling sci-fi worlds. After a man with extraordinary — and frighteningly destructive — telepathic abilities is nabbed by agents from a mysterious rogue corporation, he discovers he is far from the only possessor of such strange powers, and that some of the other "scanners" have their minds set on world domination, while others are trying to stop them. A trademark Cronenberg combination of the visceral and the cerebral, this phenomenally gruesome and provocative film about the expanses and limits of the human mind was the Canadian director's breakout hit in the United States. SWELTER

From Well Go USA. Swelter is the story of the most notorious robbery in Las Vegas history. Five men, nicknamed the Rat Pack, hit the Luxor Casino for over one hundred million dollars. Four of the men are soon captured, while one barely escapes. Ten years later, after blasting their way out of a maximum-security prison, the four jailed members of the Rat Pack are hot on the trail of their former accomplice and the remaining ten million in stolen cash. The trail leads them to a dying desert town less than a hundred miles from the scene of the crime where they find their former partner is not the man he once was; he's become a law-abiding sheriff without any memory of his past. The sheriff must now remember his violent history in order to protect all that he holds dear. (STK649016) (C: 0-1-1)

OROZCO THE EMBALMER

From Massacre Video. In 1996, Tsurisaki Kiyotaka, one of Japan's most infamous death photographers, ventured into the center of Hell itself — the Rue Morgue neighborhood of Bogota, Colombia. With death and murder rampant, the corpses eventually find their way to embalmer Froilan Orozco, who has been tending the dead for over 50 years. It only makes sense the two would become acquaintances. Over the next few years Kiyotaka filmed Orozco at work, embalming everyone from murder victims to the elderly. *Orozco the Embalmer* (*Orozco el Embalsamador*) is the result, a gut wrenching look at corpses and the man who prepares them. SOUNDTRACKS

CITY OF THE LIVING DEAD ORIGINAL SOUNDTRACK

From Death Waltz Recording Company. Death Waltz have been hard at work exhuming a true classic of horror scoring, and the result stands out like a nail through an eyeball. Directed by gorehound favourite Lucio Fulci, *City Of The Living Dead*'s incredible score comes from a true master of ferocious film music, Fabio Frizzi (*The Beyond*, *Zombi 2*), and provides a sonic experience not easily put down. All the ingredients you'd imagine are here: eerie synth lines, horrific violins, and the funkiest bass known to man or zombie — and Frizzi uses them to maximum effect to overwhelm the listener like the hordes of undead they score. (STK649180) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

COLD WORLDS BY DON HARPER

COLD WORLDS
COLD WORLDS
COLD WORLDS
COLD WORLDS

From Dual Planet. A collection of Horror-Electronics, supernatural soundscapes and sinister library muzak from Australian composer Don Harper. Centering on a previously unreleased score for the 1968 *Doctor Who* series *The Invasion* (a dark otherworldly sci-fi jazz suite), *Cold Worlds* is also a focus on the electronic music of this largely unsung composer. Like many Australian film composers (Ron Grainer, Dudley Simpson, Don Banks) Don Harper based himself in the UK during the 1960s and subsequently found employment at the BBC and other British film and library companies. Probably best known for his BBC scores for *World of Sport, Sexton Blake and The Inside Man*, Harper also immersed himself in the world of electronics. Acknowledged as a virtuoso jazz violinist, he notably produced a 1974 electronic/altered jazz session for Lansdowne Studios titled *Homo Electronicus* (featuring Norma Winstone and other progressive UK jazz musicians). In addition to cutting a number of library sessions for Joseph Weinburger's Impress label, in which several tracks were later famously sampled by MF Doom, he also co-wrote the music (alongside Delia Derbyshire and David Vorhaus) for the essential Radiophonic KPM recording *Electrosonic*. Also featured on this compilation are his nightmarish cues used in George Romero's cult zombie classic *Dawn of the Dead*. (STK649771) (C: 0-1-1)

HARDWARE ORIGINAL SOUNDTRACK

From Flick Records. Celebrated British composer Simon Boswell has applied his innate ability to manipulate an emotional connection to image using sound with great success. Perhaps the man's most celebrated achievement is his dynamic music for director Richard Stanley's legendary 1990 sci-fi/horror chamber piece *Hardware*. Boswell's amazing sonic landscape is being issued for the first time in 23 years as a double LP: one disc being the "clean" music, and the other containing sound FX and voice samples of Iggy Pop, Lemmy, and others weaving in and out of the score, plus additional unused cues and weird/cool stuff like Stanley reading the Bible! SLUMBER PARTY MASSACRE ORIGINAL SCORE

From Death Waltz Recording Company. Ridiculed on release but later celebrated by some as a feminist parody of slasher films, *Slumber Party Massacre* is fueled by Ralph Jones' synth score that remembers the first rule of comedy: never let the audience know you're in on the joke. Away from the film, the music retains a sense of wit and playfulness amidst the tension that makes it a riot to listen to. His talent for creating catchy melodies is certainly demonstrated here, with not only upbeat and bouncy tones but also haunting motifs that make you uncomfortable with the greatest of ease. HERCULES (2014)

From MGM/Paramount Pictures. Based on the Radical Studios graphic novel *Hercules: The Thracian Wars*, this film is a revisionist take on the classic myth set in a grounded world where the supernatural does not exist. Haunted by a sin from his past, Hercules has become a mercenary. Along with five faithful companions, he travels ancient Greece selling his services for gold and using his legendary reputation to intimidate enemies. But when the benevolent ruler of Thrace and his daughter seek Hercules' help to defeat a savage and terrifying warlord, Hercules finds that in order for good to triumph and justice to prevail he must again become the hero he once was. He must embrace his own myth, he must be Hercules. (STK649281) (C: 0-1-2)

UPDATED FOR 2014!

THE TALE OF THE TALES: CLASSIC HORROR ANTHOLOGIES

From the 1950s into the mid-'70s, horror anthologies were everywhere, telling small, encapsulated tales of shock, suspense, terror and monsters. Oh yes, in those days there were monsters. As the years progressed, and superheroes began to once again rule the spinner racks, the anthologies fell out of favor... and a whole generation grew up never to know the joy of reading about zombies, ghosts, psychos and giant monsters doing what they do best.

Thankfully, there's always going to be someone to remember the old days for us. Whether they are a talented writer, major or minor publisher, or even just a dedicated fan, these people preserve have preserved this material and have kept it available for us all to read and enjoy once more.

So, in these days leading up to the spookiest day of the year, Halloween, ***PREVIEWS*** celebrates the classic horror anthology with a look at what's available right now, to help you get your scare on and set the mood for your October 31st!

HARVEY HORRORS ACG COLLECTED WORKS

American Horrors via the UK!

Published by the UK's PS Art Books, the *Harvey Horrors* and *ACG Collected Works* hardcovers are a treat for lovers of classic horror comics. These beautiful volumes feature handsome bindings and spot-varnished covers, and reprint some of the most notorious pre-Code horror comics ever published. Harvey Comics, best known for their line of beloved children's characters like *Richie Rich*, *Hot Stuff*, and *Little Dot* among others, was also one of the most unhinged publishers of horror comics in the pre-Code era, with many of their covers and stories marking them as above and beyond the norm. And ACG's line of titles was equally as infamous in their pre-Code days, with titles such as *Adventures into the Unknown* and *Forbidden Worlds* taking readers to places they never dreamed of!

BUMPERHEAD AND MARBLE SEASON GNS

Drawn & Quarterly

[illegible] during the underground comix movement and helped redefine the comics industry in the 1980s, when you pick up a Gilbert Hernandez book, behind the clean-lined, lighthearted black-and-white illustrations you are always going to encounter a story that is so raw, uninhibited, and powerful—a story that through its almost imperceptible subtlety page after page builds into a contemplative narrative that you walk away from knowing that you just read something worth reading, worth remembering, and worth returning to.

It is for these reasons, along with the fact that Gilbert Hernandez's books are just an immense pleasure to read, that Drawn & Quarterly's *Marble Season* and the new and complementary title *Bumperhead* are both necessary additions to any Hernandez Brothers fan's collection. But more so than the fact that these books are wonderful accompaniments to your copies of *Love and Rockets* and *Luba*, as fantastic graphic narratives in and of themselves both titles really belong in any comic reader's library.

The truly masterful quality of Gilbert Hernandez's own works is that he has the wonderful ability to take something as simple as two young boys growing up in suburban California in the 1960s and 1970s and morphing their experiences into thought-provoking stories of the trials and tribulations of adolescence as they move through a time of counterculture and huge social change. This is a story that we have seen time and time again, but what makes Gilbert's so unique and special is that it is approachable. The reader is neither overwhelmed by the harsh realities of life nor burdened by the facts of the past, but is rather subtly encouraged to engage with the stories and the characters on a personal and emotional level.

Both of these books being semi-autobiographical, they possess a delicate personal touch of Gilbert's own experiences that the reader cannot help but resonate with. Although both books have that sharp edge we have come to know and love from underground comix, it is the rare infusion of subtle emotion and relatability that make both of these titles immensely pleasurable to read and what I personally believe to be necessary additions to any comics fan's library.

BRAINSTORM #1

[illegible]

Have you ever wondered if it was possible to stop a storm in its tracks? Well in *Brainstorm*, that is exactly what they figured out -- at least that's what they thought.

A group of scientists, funded by the military to develop a way to control storms and prevent them from happening, release experimental nanites into the vortex of a tornado to stop it immediately. When the military finds out this works they fire the outside group and take matters into their own hands. Little do they know the really don't know what they are doing with this new technology.

See what happens with the storms and how everything went from smooth to rocky in the first issue of *Brainstorm*.

FUTURE PROOF #1

Bliss on Tap

What if your job was to ensure that events in the past took place to secure the state of future? The date is November 22, 1963 on a grassy knoll in Dallas Texas and special agents from out of time James Rison and Simon Magus's have one mission: to make sure President John F. Kennedy is assassinated. Welcome to the first exciting issue of Bliss on Tap's newest science fiction series *Future Proof!*

As any fan of conspiracy theories, hard science, and even time-travel knows, in fiction it is no easy task to not only tackle some of history's most unbelievable events but to also create a story that is approachable and entertaining. Fear not, readers -- the creative team behind *Future Proof* has done all this as well as interweave a bit of lighthearted humor.

The characters are fun, there is a fantastic balance of "fact" to fiction, and the *Future Proof* creative team does a wonderful job of creating a new and original take on some of our most infamous conspiratorial events. Having read the first two issues, I can say without a doubt that this is a comic series you will not want to pass up!

PARIAH MISSOURI

PARIAH, MISSOURI GN

Salazar Entertainment

The early American frontier was a harsh reality for most of those who lived it, but most of those early pioneers still never saw the kinds of strange and unexplained phenomena that the folks of Pariah, Missouri will face.

Hiram is an undercover Pinkerton agent sent to the frontier town of Pariah with the task of flushing out the criminal enterprise that's made the town its home. For a single agent like Hiram, the mission is difficult enough, but the local criminal community may not be the worst element hiding in the shadows. Evil from "the other side" has come to town in the form of entertainment and everyone in the town is vulnerable to its spell. Amid the battle between the law and the lawless, an even more terrifying battle rages between life on Earth and the darkness beyond.

Andres Salazar and Jose Luis Pescador team up to bring readers the first beautifully rendered volume in their *Pariah, Missouri* graphic novel series that reveals the haunting history of the town and its inhabitants. In the land of indie comics, it seems there's a new creative team in town.

LIGHTER THAN MY SHADOW GN

Soft Skull Press

Comics, like all media, are primarily there to entertain but can at times inform and educate the reader. Katie Green's graphic novel *Lighter Than My Shadow* hit close to home and I had to read it. Reading about how Katie went from a finicky eater to the binging and purging to the realization she was anorexic reminded me how scared I was when a close friend was almost lost to the same compulsion.

With each page of the book the past was relived and I was right alongside Katie's journey to recovery and how hard my friend's journey has been. The line work evokes the ephemeral existence of Katie as she seems to fade away before family and friends. While family will try to do anything to save her, it has to be Katie's decision to survive, and it is her will to live that comes through in this story.

Katie's passion for drawing and storytelling makes this a unique blend of self-discovery and recovery using the graphic story medium. This book shows you what comics can do and do well particularly when it's a personal story.

SERENITY: LEAVES ON THE WIND TP

Dark Horse Comics

I jumped onto the *Firefly* bandwagon late after discovering the series on Netflix but it only took a few episodes to convert me into a fan. I was shocked to see that such a good show with memorable characters and such a vibrant fan base has only received just 1 season and a movie.

Then the November *PREVIEWS* happened and *Serenity: Leaves on the Wind* #1 was solicited! After a lot of waiting and disappointment I would finally be able to see what happened to my favorite characters from the show. The new series, set just a few months after the events of the movie *Serenity*, has the galaxy tumbling back to a new civil war after it is discovered that the Alliance is responsible for creating a vicious group of cannibals called the Reavers and then leaving them alone so that they can sate their hunger for human flesh on any poor ship that falls into their clutches.

Written by Zack Whedon and with gorgeous art by Georges Jeanty (*Buffy*) this collection treats the source material with respect and brings our favorite characters back for a much appreciated new adventure.
